# QUEEN WENDY CARLSON

**Wendy has been involved in a variety of activities at Norwalk during the past five years. She participated in Drill Team for two years, and cheerleading for three.**

**She has been the Pep Squad President, the C.S.F. President and the Drama Club Historian. Last year she participated on the track team and was awarded her varsity letter.**

**She was chosen by the faculty and the American Legion Women's Auxiliary to go to Girl's State this past summer in Sacramento to learn about the functions of our government.**

**Wendy hopes to attend the United States Air Force Academy following her graduation from Norwalk. Her goal is to become a pilot. Congratulations to such a "dedicated" person, Wendy Carlson.**

**Homecoming always holds a special place in the hearts of lancer students. Excitement and anticipation made homecoming a very spirited and memorable event. The activities ranged from pies in the faces to Hula hooping and from voting on possible nominees for Queen and her court to seeing them crowned. When the big night finally arrived, everyone was restless and eager.**

**Wendy's name was lit in fireworks at halftime and Debbie Gallardo, formerly known as Debbie Hinojosa, the reigning Queen, relinqueshed her crown to Wendy as the crowd cheered on.**

Pep Rallies showed the spirit and dedication of all who attended. The dedication was evident, as spirit had reached its highest peak at the pep rallies. Also an old tradition was brought back, "The Spirit Head". The styrafoam head was a bald figure at first, then became a wild and funny looking figure. All in all, we know that spirit and dedication are what pep rallies are all about. But there is always one special pep rally of the year which is "Homecoming". This pep ralley was full of excitement that will be remembered for years to come. The pepsters managed to build up a lot of school participation, by having skits, relays, cheers, class competition, pep talks from big dad, and of course the Alma Mater, and all sorts of other things to make the school laugh and enjoy pep rally's.

13. Cool Jerks!!

Dances were the highlight of the evenings as students from Norwalk High went there to have fun and enjoy themselves. Many of the dances were held after the football games, which brought the attendance higher than last year!

Everyone on campus had their own style of moving to the music. Some people "rock-n-rolled" all night, while others "punked" out, and the rest of the people "New waved" to the beat of the music. They were full of good times, laughter, and excitement, but most of all they were enjoyed by everyone who attended.

**Mr. Murillo has been here for 5 years at Norwalk. He said he enjoys band because it is interesting, fun, and challenging with all the changes that take place every year. Unlike other classes band is almost a 24 hour day job. Monica Martinez is the Majorette for the Royal Lancer Band. She has been twirling since she was seven years old. In the previous five she has traveled back to Notre Dame University in Indiana for a world-wide twirling competition. She goes back every year with the sequinettes (a twirling corp.) Monica hopes to keep on twirling and hopefully twirl when she gets to college. All in all, Monica has over 400 trophies, 350 medals and has won many twirling titles. With the help and loving support of her mother, Mary, she's come this far and hopes to go even farther. Norwalk Drum Major is Kevin Montoya. He has entered and placed at many competitions throughout the year. His assistants are Eddie Martinez, and Regina Podany.**

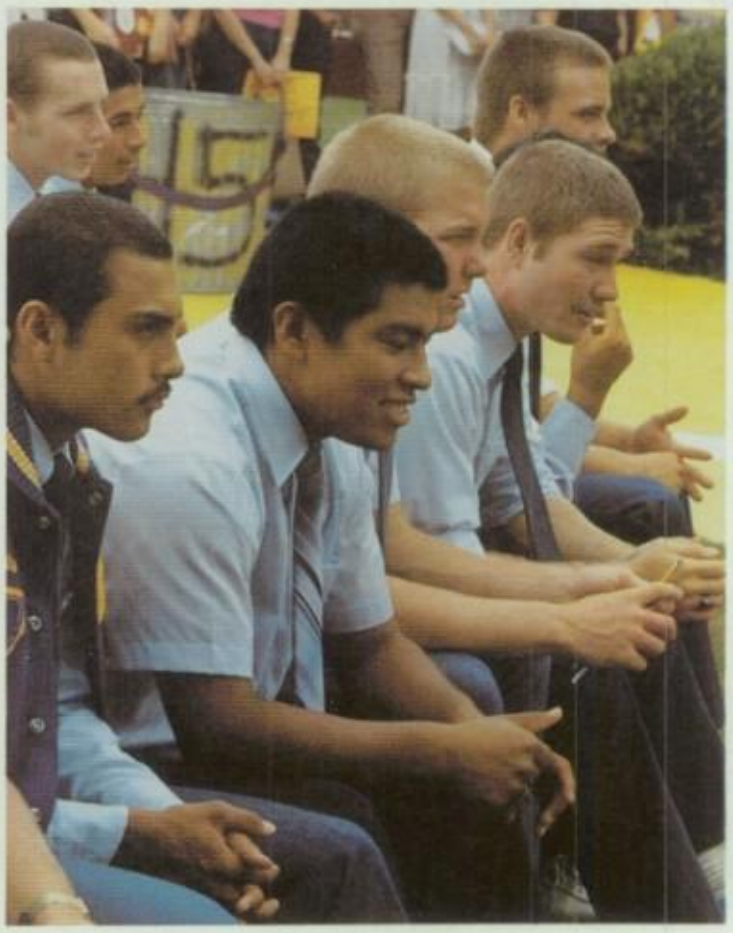
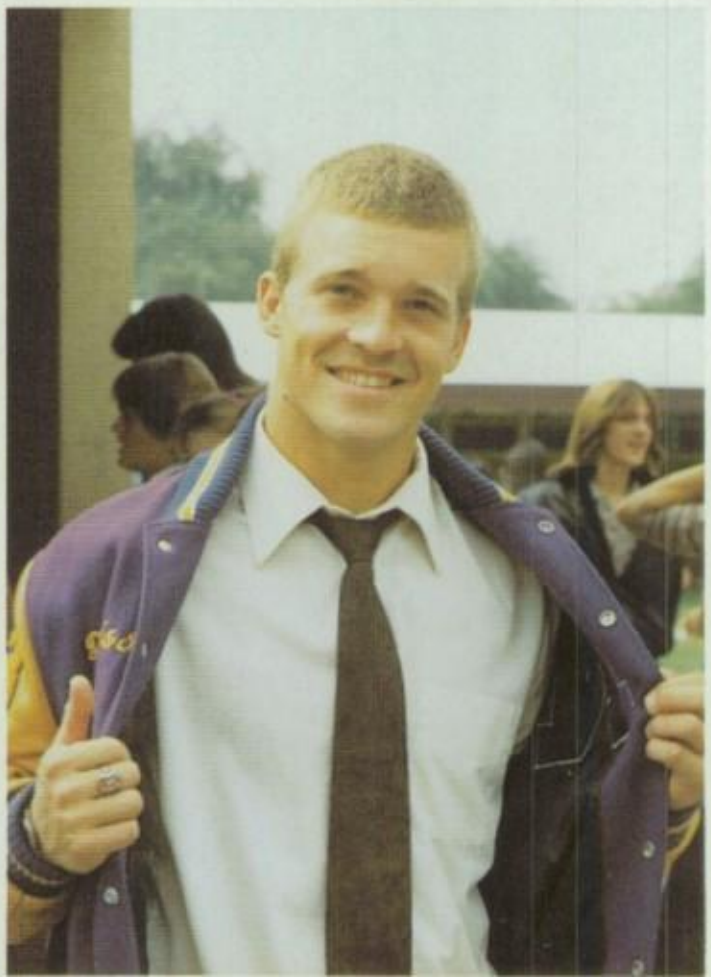
# ENTHUSIASTIC LANCERS





# IN ACTION!

**These were people who helped build up the heart at Norwalk High. Dedicated faculty, students, and friends helped strengthen up the pride of the Lancers! Their enthusiasm helped lead many of our teams to victory, and their superior spirit kept the teams alive in times of defeat. We will remember these were golden years hearing the echos of those ringing cheers, failure of victory, still our loyalty will be the pride of the Lancers for eternity!**

# Tall Flags

**The Tall Flags, a unit of pride and precision, had another successful squad this year. Expanded to fourteen members, the girls were able to set larger goals concerning competitions and accomplishments. Members this year were Stacy Acker, Laura Cambron, Kathy Cermak, Hermelinda Colon, Gina Faustina, Barbie Johnson, Martha Martinez, Linda McClain, Veronica Merino, Kathryn Nolyneux, Mary Moyer, Randi Oeck, and Michele Pasquale. Participating in many functions, they were kept very busy. The Flags traveled with the band to all of their parades and field competitions, and they also entered Flag competitions alone. In all of these events they did respectably well. The Tall Flags also participated in promoting spirit at all the athletic events and pep rallies. Under the leadership of Captain Linda McClain and Co-Captains Kathryn Molyneux and Michele Pasquale the Tall Flags *dedicated* their time and skills and brought our great campus alive.**

**Drill Team was a great way to meet new friends and to represent the school and city. To start off, camp was great. Four days away from home, which seemed like a never ending big party, was an experience! It was not all fun and play, but a lot of hard work and dedication. Nine girls who attended camp earned over 40 ribbons, most of which were Superior. That's not all, they also placed at many indoor and field competitions. All that effort was not wasted! The best was yet to come, all the girls worked very hard in fundraising to travel to Hawaii to compete internationally! It was an exciting event and a dream come true to all the members.**

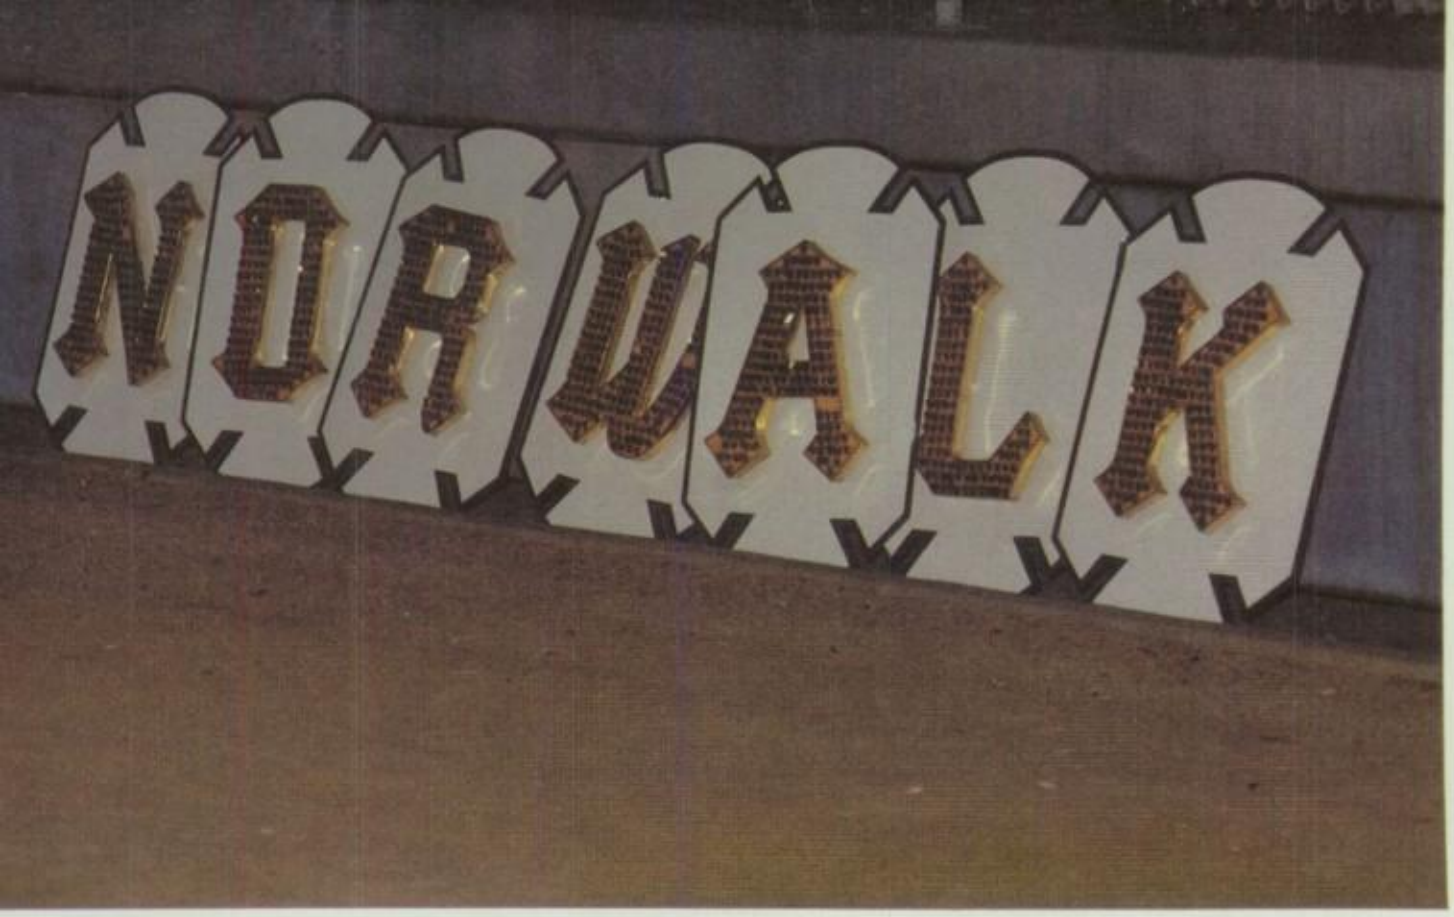
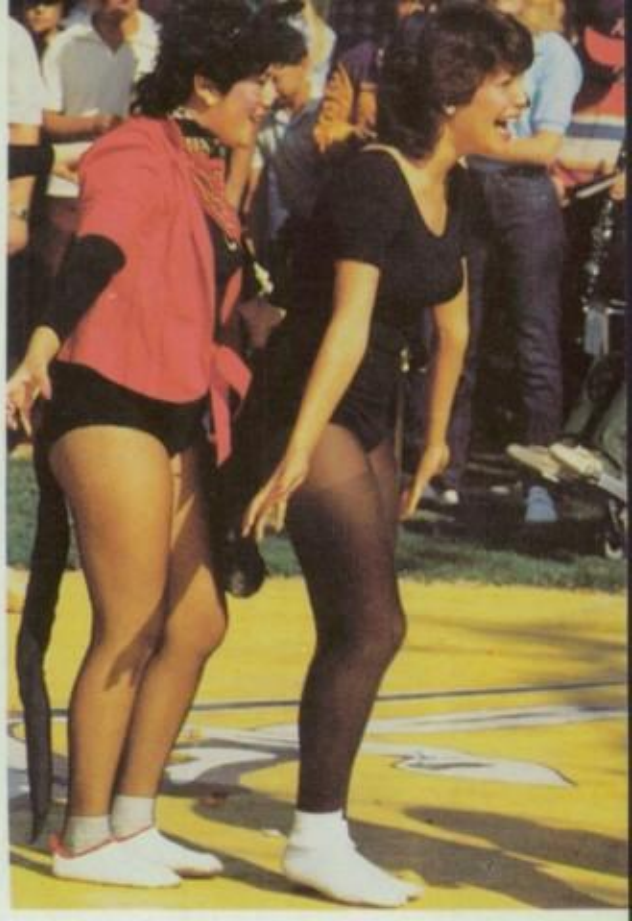
# PEPSTERS KEEP PRIDE ALIVE!





There were many ways to have fun at games of the many sports. But what's a game without pepsters? These girls were the ones who helped lead the school in spirit and pride. They dedicated themselves through the summer, before, during, and after school, to make the most of every routine they performed. They also brought you some of the best rallies in a long, long time. These girls kept the spirit going all year long, although it kept them very busy, these girls enjoyed every moment. The 1982-83 Pep Squad. Pepsters keep pride alive!

# SPIRIT SOUNDING LOUD!!!

# YELLS

**The Yell Squads of Norwalk showed much of the spirit this year. They practiced all summer long to get ready for the year, as well as for camp. The girls brought home many trophies and ribbons, ranging from Superior to nothing less than excellent.**

**Varsity Yell consisted of: Captain Jenny Rios, Co-Captain Laura Martinez, Kim Arisue, Cindy Baca, Wendy Carlson, Rhonda Clagg, Wendy Floyd, and Janice Jensen.**

**These girls also cheered for the Los Angeles Dodger back in September.**

**J.V. consists of: Captain Galen Carlson, Co-Captain Teresa Richards, Karen Anderson, Sonia Gallegos, Sharon Gilbert, Frances Harding, Tina McCown, Kelly Pyles, Kim Shaw and Nancy Vos.**

**J.V. was coached by Mrs. Connie Gilbert. They performed at the Pomona Fair in September.**

**Freshman Yell was lead by Captain Kim Martin and Co-Captain Tina Adele. The other yell leaders were Mychon Foley, Vickie Kraweic, Angela Moreno, Dawn Schultz, and Leticia Verdugo.**

**All showed a great deal of spirit under the guidance of Mrs. Esther Dominguez.**

# SPIRITED!

## Varsity Flag & Song

**Varsity song was very enthusiastic this year. The squad was led by captain: Laurie Dressel, and consisted of Kim Harding, Rozella Natividad, and not present Kim Sampson. At camp these girls received a superior trophy, a spirit stick and many superior ribbons.**

**Varsity flag was the smallest squad on pep units. It was led by captain: Amelia Topete and consisted of Lea Brown but yet they managed to make the most out of everything. At camp these girls received a superior trophy, the most improved plaque and a number of ribbons.**

**Both of these squads practiced all summer long, and made the most out of every performance. They inspired alot of school pride and spirit.**

## Lavender-N-Lace

**The traditional winter formal dance took place on Friday, February 25, at Rochelles Hotel in Long Beach. The tickets for the dance cost $35 per couple including dinner, which was served from 7:00 p.m. to 8:30 p.m. Also all beverages were free of charge.**

**Approximately 125 couples attended Lavender-N-Lace this year. All the couples enjoyed music from "Infinity" who played a wide variety of songs from "new wave" to the "50's".**

**Around 10 o'clock Mr. Murrilo, Band Director, stopped the dance for the Grand March and the announcement of this years Lavender-N-Lace Queen. Last years Queen Judy Jenson crowned Martha Martinez.**

**The court consisted of: Princess Teresa Gonzalez escorted by John Chavez; Princess Linda McClain escorted by Doug Preciado; Queen Martha Martinez escorted by John Harding; Princess Michele Pasquale escorted by Bobby Warwick; Princess Pauline Seager escorted by Ken Warner.**

# WORKING HARD IN "WORKING"

# DRAMA

**From the book by Studs Terkel emerged a competition show that could show the talents of all individuals involved. Maggie Regalado directed the play despite of her so called "jinx" on competition shows. Appearing for the first time at the Long Beach Theatre Festival, Annesa Pack and Araceli Cano were awarded Superior Acting awards. Competing at the Los Angeles Valley College One Act Play Festival, These Drama students went home empty-handed due to stiff competition and the critiques from the judges.**

Their talent provides a refreshingly varied program of music for the students of N.H.S. and the community.**

1. 1982-83 Jazz Band members.
2. Brass section practicing the song "Bird Land."
3. Saxophones sounding good.

# STAYING IN RHYTHM . . .

## Dance Club

**Dance club has grown to be very popular. It consists of thirteen young girls which perform at pep rallies and at dance competitions. The dancers practice very hard during school. Their dedication and enthusiasm show at all their performances. Also they had a fund raiser during Easter time and sold Helen Grace chocolate Easter eggs for $2.50. The dance club was fearlessly led by Ms. Bales. All enjoyed their vivacious performances.**

## VOICE STAFF

**The "Voice" staff worked very hard this year to accomplish their goal, which was to produce eight issues of the "Voice" for the students and faculty of Norwalk High. Under the advisement of Mrs. Jeanne Lerner the staff reached their goal through deadlines, layouts, and late stories and pictures. The staff consisted of Editor in chief Bill Wenrick, Page 1 editor-Manuel Gonzales, Page 2 editor-Steve Wagner Page 3 editor-Stephanie Landeros, and Page 4 editor-Bob Holler. The reporters were: Regina Becker, Susan Countess, Deanna Graves, Carol Huff, Monica Hunt, Don McMain, Dawn McMullen, Paul Milroy, Jose Montano, Maria Moreno, Adam Padilla, Ruben Rodriguez, and Luis Toledano.**

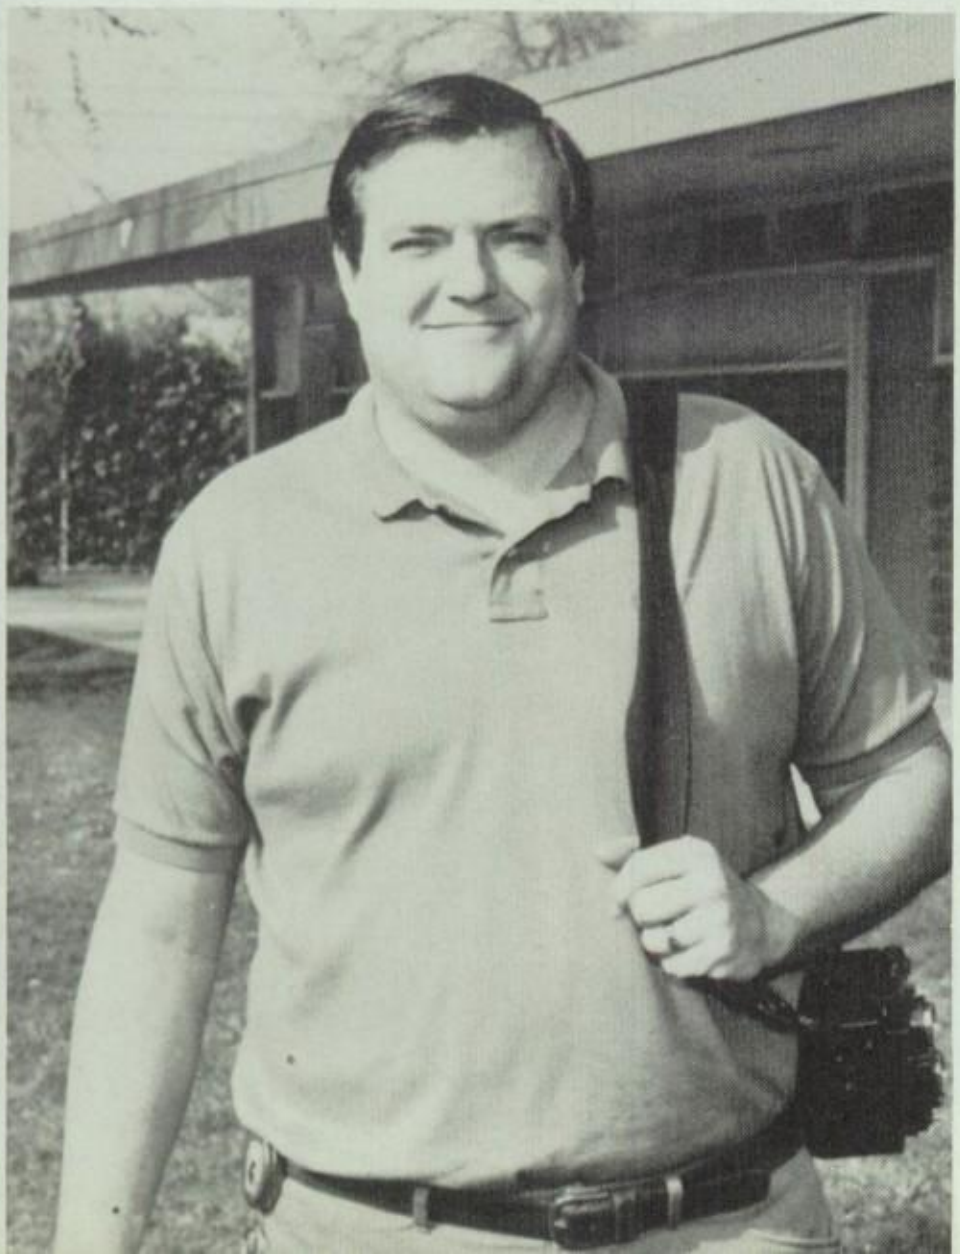
# YOU GOT TO LOOK 'CAUSE WE MADE THE BOOK!!!



**Once again the dedicated Annual Staff brings out the best of memories with the production of the 27th volume of the El Lancero. Together this staff pulled together and brought forth their ideas to bring this annual under its respective title "Dedication." It was truly dedication that made this volume the best to be desired. A great deal of time was spent planning, arguing, and laughing to bring to you - the students and teachers of Norwalk High School - in those memories to be remembered and those friends never to be forgotten.**

**This book is dedicated to you by the editors and members of the 1983 Annual Staff. The staff consists of:** *Linda McClain,* **editor in chief -** *Teresa Gonzalez,* **activities editor and her staff: Jenny Rios and Nora Rivera -** *John Harding,* **sports editor and his staff: Robert Barone, Robert Bobkiewics, Lea Brown, Araceli Cano, and Steve Dolezal -** *Kelly Katayama,* **people/ senior editor and her staff: Cindy Baca, Stephanie Landeros, and Brett McDonald -** *Carlos Muro,* **academics editor and his staff: Linda Donley and Cyndee Nickel -** *Paul Milroy,* **photography editor and his staff: Don Berryman, Gerald LeMaster, Dennis Lewis, and Keith Sherman -** *Barbara Dubeau,* **manager of business.**

**Also this book could never have been accomplished without the leadership of Richard J. Secoda. Even though an annual consists of a standard number of pages and pictures, the real idea comes from the advisor; without Mr. Secoda, the meaning of our book would have been dissolved. A special "Thank You" goes to Mr. Secoda.**

**We the staff of the El Lancero would like to thank all who contributed to the annual. We truly wish you enjoy your volume of this yearbook, and that you laugh and cry along with us as you pass through the pages of our book.**

# NEW CLUB RISING TO SERVE

## Girls League

**Girls League is a new service club on campus. The purpose of the club is to serve as campus hostess, in the many different activities. This year the club put on a Luau. The Luau was held on campus and very successful. Another activity that the girls took on was adopting grandparents from the neighboring convalescent homes.**

**This year's Girls League Advisor was Mrs. E. Mitchell. The club officers were President-Sylvia Villanueva, Vice-President-Angie Guerrero, Secretary-Tammy Reeves, Treasurer-Yvette Garcia, Campus Committee and Publicity commissioner-Jenny Rios, and Sargeant-at-Arms-Cynthia Beadoin.**

**The club consisted of: Adela Aguirre, Sandy Baker, Cynthia Beadoin, Selina Beadoin, Christine Beltran, Tracy Carlson, Teri Cornor, Denise Fierro, Yvette Garcia, Roberta Gomez, Angie Guerrero, Cecilia Marquez, Lupe Orona, Thai Thanh Pham, Jenny Rios, Yvonne Valera, Rachelle Vasquez, and Sylvia Villanueva.**

## C.S.F.

**The Norwalk High School chapter of California Scholarship Federation is part of a statewide organization that recognizes and honors students who achieve high academic excellence. Many high schools have CSF chapters. Members who participated had to earn enough A's in academic subjects to qualify for membership. Membership during four of the last six semesters in high school qualify for a Sealbearer award at graduation. This award qualifies them for many scholarships and is the highest academic award given in high schools all over the state.**

**This year, nine seniors, seventeen juniors, and ten sophomores qualified for membership. Their Advisor was Mrs. Anna Kerr.**

**The local chapter has one activity each month, and supplies scholarships to Sealbearers at the end of the year. This makes this organization a worth while club. The contributions CSF makes to our campus and to it's members should encourage everyone, who qualifies, to JOIN.**

# STRIVING SECRETARIES

## F.S.A.

**The Future Secretaries Association, an organization for the business students, is affiliated with the Professional Secretaries International Surburban Chapter. The organization helps young students to be familiar with the real world of work. One of the highlights of the year is "A day in an Office." Each member is assigned to an office in industry or educational institution to see firsthand what it is really like to be in an office. The club was led by Mrs. Theile.**

# GOT MY MAN!

# SADIE HAWKINS

**"3 throws for fifty cents" . . . "Mamas don't let your babies grow up to be cowboys" . . . "Marriage license for 10 tickets" . . . A few sights and sounds found at our 12th Annual Sadie Hawkins Dance. Approximately 500 people donned their western-gear and attended the very successful carnival-like dance which was sponsored by the 1983 ASB cabinet. The dance was held from 7:30 to 11:30 p.m. on the eve of March 18th in the gym, the entertainment was provided by Dave Allen. There were eleven booths assembled throughout the gym for the guests to try and "test their luck" and possibly win a prize. Booths, sponsored by various clubs on campus, ranged from the ever-popular jail booth, kissing booth, fortune-telling, and basket-ball throw, to the "Sadies Invadies" Booth where people played various video games. Pictures were taken by the Photo Club. The traditional girl-ask-guy Sadies dance was indeed a huge success and fun was abundant for all.**

## Computer Club

**The Computer Club has expanded its horizon this year with the addition of eight apple computers in the computer lab. With these and the nine TRS-80 computers, they were able to explore many more areas of recational programming, as well as spicing up their Sadie's Hawkins booth. They also had a "Catch the Wind" sweepstakes which was a very successful fundraiser, helping to upgrade our lab and to keep it the finest in the Norwalk-La Mirada School District.**

**The computer club officers in alphabetical order were: Joe Chen, Cliff Griffin, and Jerry Johnson.**

**The Chess club was very active this year. Students had a better opportunity to challenge the chess computer "Sargon" due to the fact that ten new apple II computers have been added to the computer lab.**

**This year they met once a week. They also had a tournament on campus which was very successful. One Norwalk chess member, Leland Petty took 2nd place in the L.A. Regional chess contest. They hope that in the future more students will be involved in this ancient game of skill.**

**The President of the club is- Leland Petty, Vice-President-Von Mauhn, Treasurer-Tim Beagle, the rest of the club consists of: Jeff Foubdren, Mike Halsten, Neal Johnston, Manith Kuhn, Dave Hontoya, Dana Norman, Ray Rodriguez, and Craig Warner. This year's club advisor is Mr. Balma.**

## German Club

**Norwalk High German Club had to be one of the most active clubs on our campus. Lead by their fearless advisor, Mrs. Montgomery, the club and their officers had their hands full enjoying their numerous activities. Some of the activities included: A Halloween Party, a Christmas Party and a Karneval party in which members came dressed itheir native costumes and brought food from the land of their ancestors.**

**In March they went to Camp Stertavant which is one of the most respected traditions for the German Clubers. The week before Easter they celebrated the Easter Holiday at Norwalk park. In May the German club ended their wild year with a party at the Hof Brau in Los Angeles. They had a great time dancing, singing, and eating the German way.**

LANCERS

## Physical Education

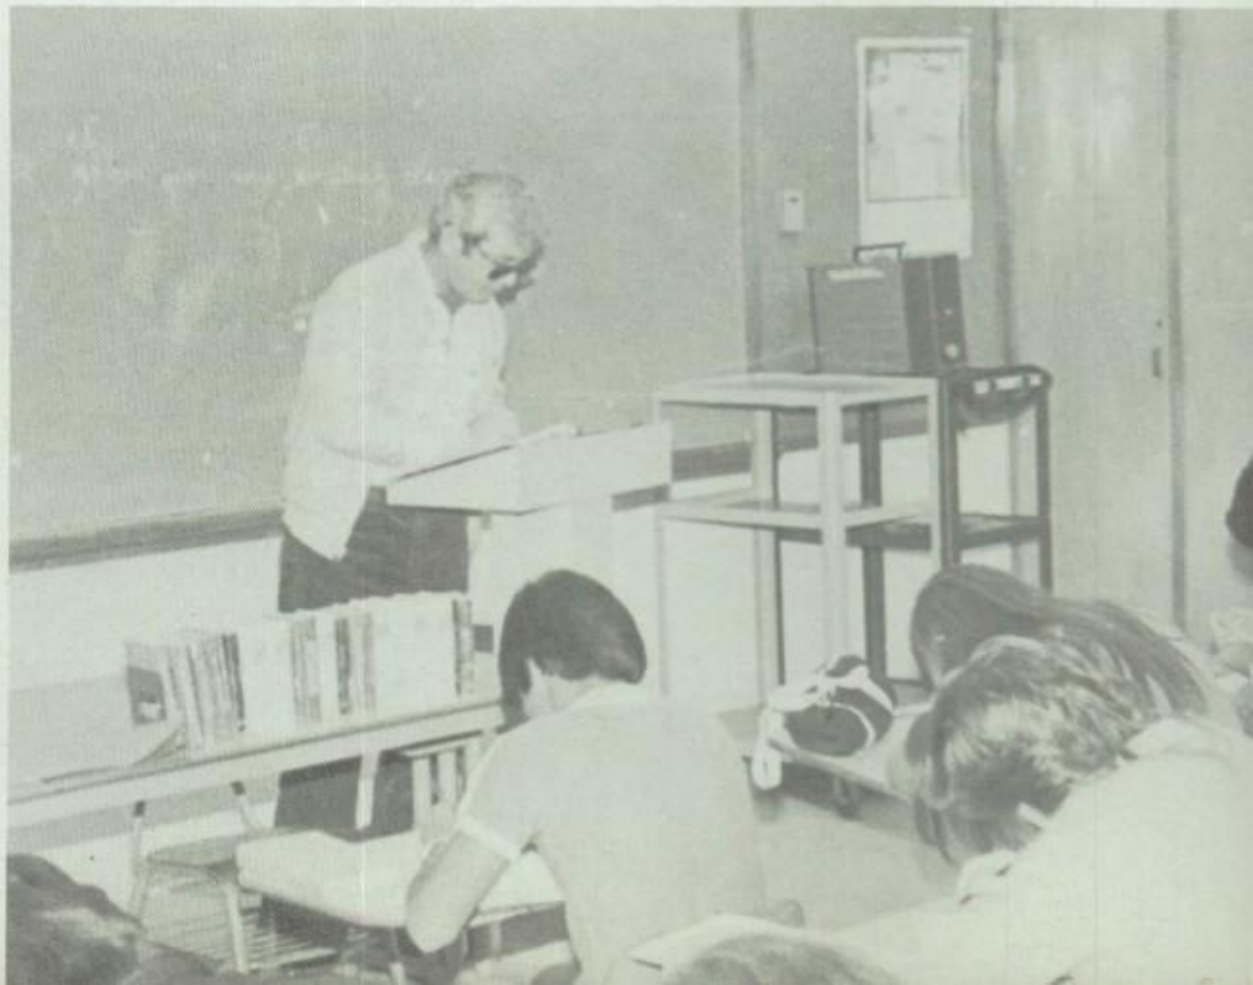
The necessity of vigorous physical activity for students and youth is evident by the demonstrated relationship of physical performance to total achievement, inactivity to obesity, and fundamental skills to the worthy use of leisure. The achievement of that growth and development will make a major contribuion toward preparing the students and youth of California to live adequately in this complicated world.

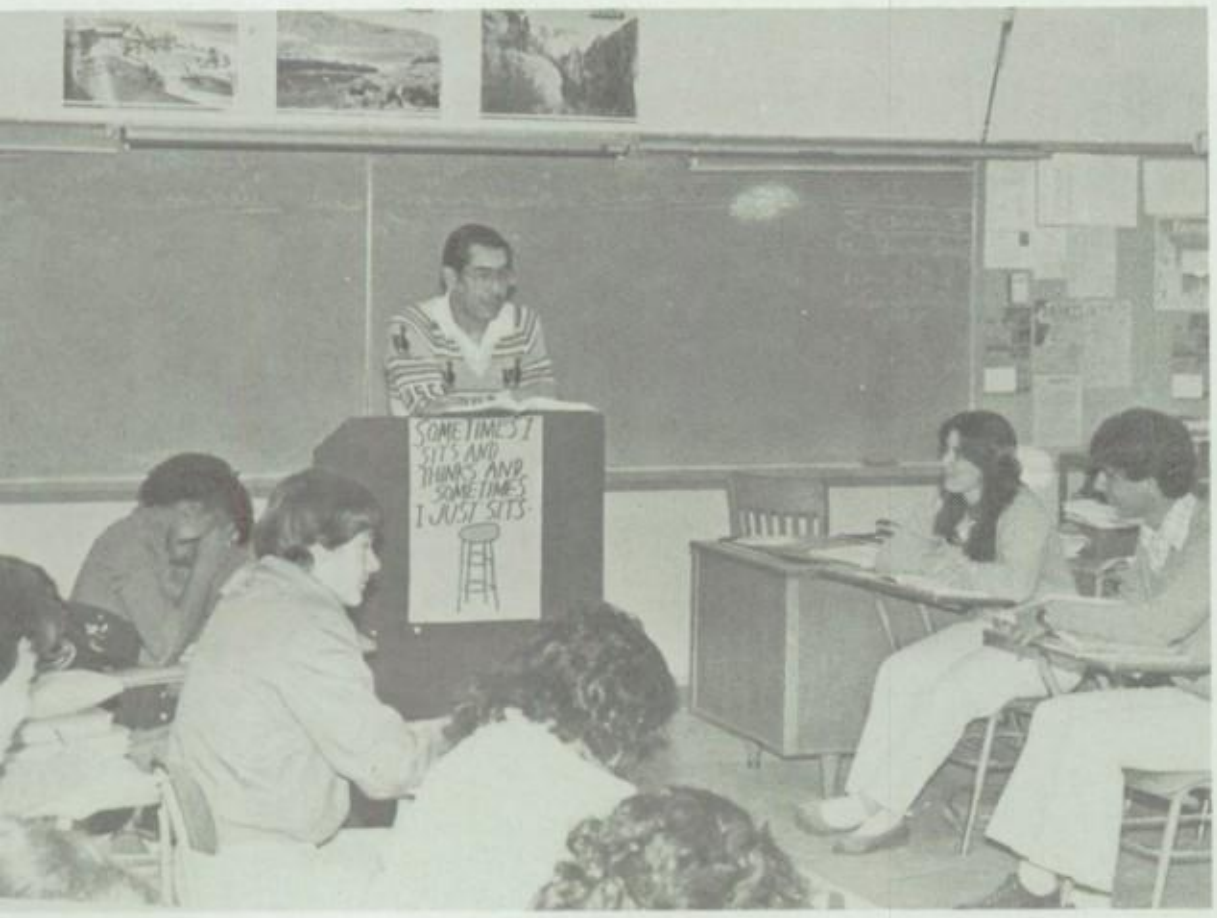
## Social Science

The Social Science department had a busy year sending its seniors on special bus trips to Los Angeles to visit courtrooms with trials in progress, backing up a Mock Trial Team, advised by Mrs. Raun. In addition, they participated in district-wide efforts to upgrade and improve social science programs in the classroom. Classes offered here at Norwalk High were: Ninth grade World Geography, Western Civilations, American History, Senior Studies and Government.

## Language Arts

The Language Arts Department offered a variety of courses which enabled a student to extend his knowledge. Amoung the courses offered at Norwalk High school were: Composition, Grammar, Mass Media, Literature, Popular Fiction, and Speech. Freshmen and Sophomores must take required courses while Juniors and Seniors may choose from a list of electives.





# Art

**The Norwalk High School Fine Arts Department consisted of Art, Arts & Crafts and Drama Classes. Each Class was concerned with providing positive experience within each of the areas of Fine Arts.**

**Students from Fine Art and Arts & Crafts, had their work shown in several exhibits & competitions during the year, winning 1st & 2nd places in the District competition.**

**The department encouraged the students to gain knowledge in Fine Arts.**

# Foriegn Language

**Bonjour, Comment Tallez Vous? Yes that's French, one of the very few foreign language classes we offered here at Norwalk High. Others include: Spanish 123, French 123, German 123 and also English to those of a foreign country. In these classes students learned a whole new set of alphabets and vowels, and gained an understanding of foreign languages and their many uses.**

# Music

**The Music program at Norwalk High school this year consisted of the following classes; Jazz Ensemble, Concert band, Intermediate band, Marching band, Guitar and Beginning band. Opportunities were available for students to begin learning how to play an instrument and to be a part of a performing organization as well.**

## Math

**Math, a very important class for students to learn. The future is going to be nothing but computers, and you'll have to know an extreme amount of math to work them. Here at Norwalk High we offered these classes: General Math, Pre-algebra 1&2, and it goes on up to Trigonometry, and we even had our own computer class. But I'll tell you, it wasn't easy.**

## Science

**The science classes again invited students to investigate and question, to discover and learn what an orderly universe this is, they began to realize their places in it. Here begins an understanding and appreciation of the substances and forces of nature. Some of the classes we provided here at Norwalk are: Basic science, Life science, Biology, Physics and Chemistry.**

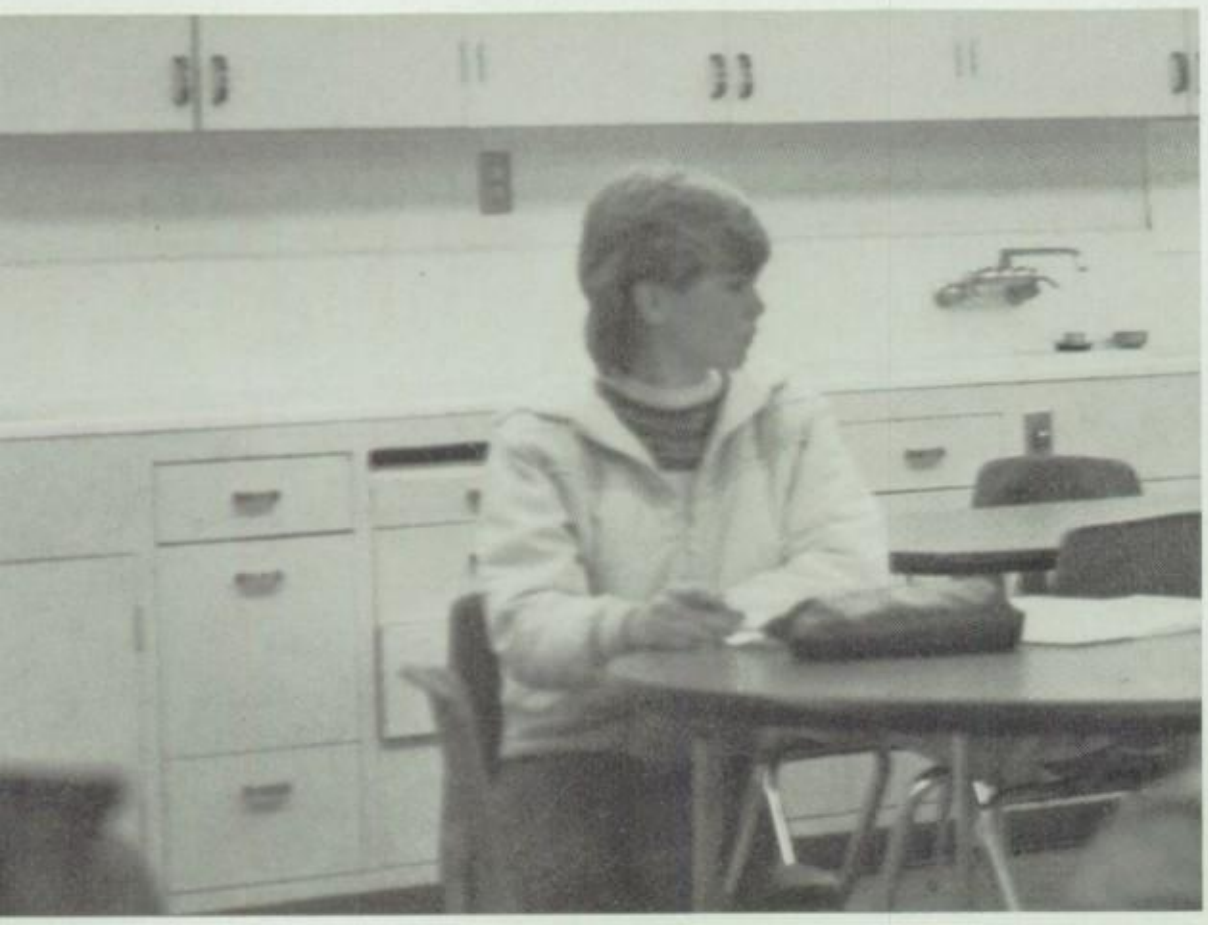
## Health

**Let's talk about our bod's, that's what the class was all about. Students learned the functions of their inner body and learned how to keep their outer surface clean as well. You may have said, "what's there to learn? I know my body", well your wrong, but this class can help you. They learned from bones to muscles and back to bones again. Students gained this knowledge in a class called Health.**

## Business

The Business Education Department offered several practical courses to prepare the students in areas of; Office Clerk, Stenographer, Accounting Clerk, and Word Processing.

We are proud to say that our department was fully equipped with up-to-date office equipment to prepare our business students to meet the ever changing demands of the job market due to high technology.



## Consumers

The Consumer Home Economics Department offers students a chance to develop living skills that will be of value throughout their life.

Classes were offered in the areas of clothing, family and personal relations, marriage, life styles in today's society, and child development. The major goal of the teachers in the department was to offer a variety of courses and subject matter to meet the individual needs of students in a home-like atmosphere.

## Industrial Arts

No, this isn't just drawing your favorite little animal. This is the confusing world of Wood, Plastics, Auto Body, Electronics, and Mechanics. Gain the knowledge in each, and then demonstrate your abilities to your instructor. Go from just carving your name into a piece of wood or plastic to taking apart and putting back together an engine within hours. In the future it's going to cost the bucs' to repair your house and car of mechanical & electronical problems. These classes benefitted all who took them.

# LOOKING FOR HIRE EDUCATION

## R.O.P.

Need credits to graduate? Want to get a job? Want to learn more about a career or occupation? You can get all these things in an ROP class! Earn up to 10 elective credits per semester. Learn a job skill while in school, after graduation, or when going to college.

The ROP educational program for high school students and adults, offers job and career training classes at no charge. Most classes are "open ended", meaning you can join the class at any time.

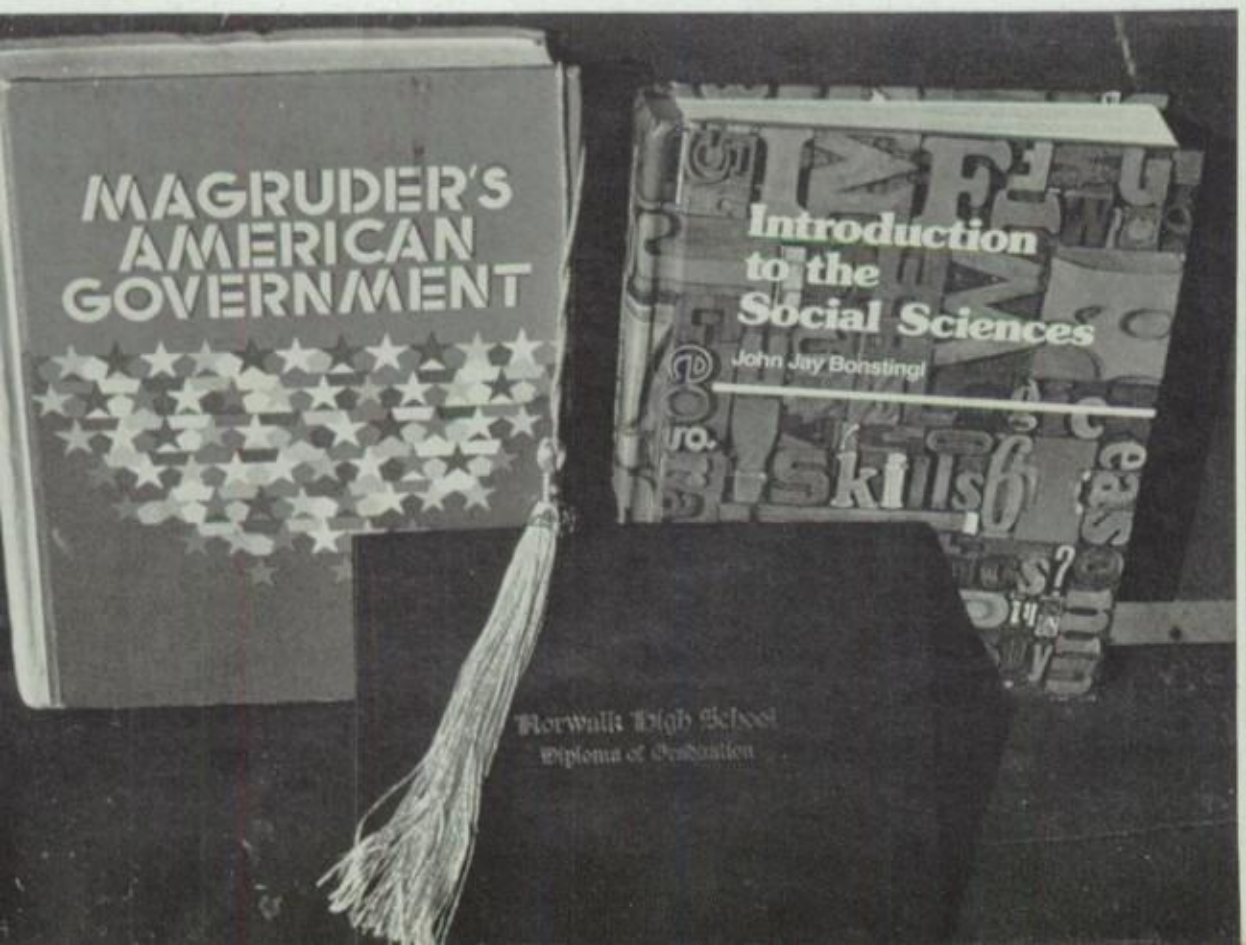
Some classes are on campus, and for others there is bus transportation, or students provide their own transporation.

## Work Experience

Work Experience Education is a high school accredited elective course, approved by the State Department of Education to aid students to stay in school and complete their education.

Through this program, students are given the opportunity to discover vocational interests and apitudes. They gain practical experience through observation or performance in a variety of job entry occupations such as: shop, store, factory, nursery, sales, stock, service, shipping, photography, electronics, food services, and business offices.

# COULDN'T WAIT FOR JUNE



# READING

**Students dedicated to being a graduate of N.H.S. must pass a proficiency test part of which includes reading. Reading is the most important of the three R's. Without the ability to read, a person cannot function in society today. The areas covered, range from word recognition to comprehension including speed and study skills, on both remedial and advanced levels. The remedial classes introduce the skills on the proficiency competency test and helps to prepare the students for the exams. The advanced classes strengthen these skills and prepare students for other graduation requirements.**

## Graduation Requirements

**For graduation in June 1983 a total of 210 credits were needed along with four years (eight semesters) of attendance and satisfactory citizenship. The course and unit requirements are:**

| Subject Area | Units |
|---|---|
| Health and Saftey | 10 |
| Math competency required | 10 |
| Science | 10 |
| Phis. Ed. | 20 |
| Humanities | 10 |
| Art, Drama, Music, Foreign Language, Language Arts | 25 |
| Practical Arts and Vocational Education | 10 |
| Two semesters selected from: A. Business Education B. Consumer Homemaking C. Industrial Ed. | |
| Social Science | 25 |
| Government-5 U.S. History-5 Elective-15 | |
| Including Behavioral Science, Economics, Geography, World History | |
| Total Required Units | 120 |
| Total Elective Units | 90 |
| Total Minimum | 210 |

## Administration

With a strong administration willing to work for students, any school can be great. Norwalk High has proved that fact to be true.

With Mr. E. D. Eberhard as our principal, doing a fantastic job to make sure our school was running smoothly, what could have gone wrong?

Dr. Johnna Moore, who was the Assistant Principal of Student Services for her second year at N.H.S., is a truly remarkable lady. Dr. Moore was responsible for all aspects of plant upkeep and maintenance. All purchase orders went through her office. Also listed in her job description were Activities and Athletics. Dr. Moore has been at all five of the Norwalk-La Mirada schools for different periods of time. In her free time she draws charicatures of students and teachers which delight everyone.

Mr. Gil Ulibarri, was the Assistant Principal of Curriculum and Guidance. He was in charge of the master schedule, class offerings, academic counseling, proficiencies, textbooks, library and most other aspects concerning curriculum. Mr. "U", has been a principal at both Neff and Benton, assistant principal at Excelsior, and this was his second year at Norwalk.

This was only Mr. Frank Paredes' third year as an assistant principal. The first of which was served at Excelsior and the last two here at N.H.S. He was the Assistant Principal of Attendance, accounting, disciplinary procedures, worked with discipline counselors, and issued off campus supervision permits. In addition, all campus supervision fell under his jurisdiction, including the security personnel.

To the wonderful administration of N.H.S., the student body would like to say thank-you for all your support and help during the 82-83 school year.

# OUR FEARLESS LEADERS

## Principal's Message

In this year and the year to come, this book will help you relive the school year 1982-83. It is my hope that the experiences gained at Norwalk High School have contributed to making you commit yourself to become the best person you can be. No one can ask or expect you to be more than your best; however, you owe it to yourself, your parents, and your friends to always strive to be and do your very best. Whatever you choose to do in life, no matter how simple or complex the task may be, seek to dedicate yourself to commitment to the best. Make this dedication and commitment to all your goals, whether they are short range and immediate or long range and distant.

A creed I have found to be most helpful in my personal and professional life is what is called the four-way test of things we think, say, and do. It is, simply: First-Is it the truth?, Second-Is it fair to all concerned? Third-Will it build GOOD will and better friendships?, Fourth-Will it be beneficial to all concerned?

My charge and challenge to the students of Norwalk High School is to seek excellence in body, mind, and spirit. This is not an easy task and can only be accomplished by continuing to strive to be and do the very best you can. I have seen many examples this year of students and staff working hard to achieve excellence at Norwalk. This has been a productive year for building school spirit and pride in school and self. Our student body government has demonstrated outstanding leadership. Our performing groups and athletic teams have done well through dedication and commitment.

May this book bring back memories of the fine associations and achievements recorded at Norwalk High School this year.

E. D. Eberhard
Principal

# GUIDING OUR DESTINATIONS

## Counselors

We students here at N.H.S. are very lucky to have six wonderful counselors who are dedicated to helping us plan our futures no matter what direction we may have decided to go.

This was Mr. Gil Soto's first year here at Norwalk, and he was the senior counselor. Along with having his hands full helping seniors to graduate, he counseled the eighth graders with last names A-E.

Mr. Art Turman has been with Norwalk High for 27 years. He was counselor for both juniors and eighth graders with last names F-L, and somehow he always managed to fit in the duty of college placement counselor!

Mr. Ron Ternquist is the man who guided the sophomroes and eithth graders with last names M-Q: Mr. T, as he was often called, also had the special duty of coordinating all areas of special education.

Ms. Molly DeLeon was in her second year at N.H.S., and was the counselor for the freshmen and the eighth graders with the last names R-Z. Ms. DeLeon was once discipline counselor, and last year instead of handing out punishment, she guided the students toward their goals.

Another long time counselor and teacher at Norwalk was Mrs. La Doynne Craig, who was a discipling/attendance counselor. She worked with those students who had moderate to acute attendance problems with last names LU-Z.

Last but not least, is Mr. Humberto Briones who was attendance/discipline counselor for students with last names A-Lopez. Mr. Briones has also been at Norwalk for many years.

To all these counselors, the class of 1983 would like to say thank you for making our senior year a success.

# SO MUCH TO DO . . . SO LITTLE TIME

## Secretaries

**Secretaries must have the hardest job on this campus. They not only had to keep the counselors, administrators, and teachers happy but they also had to keep smiles on the students faces. Beginning with Mr. Eberhard's secretary, Shirley Walker to Dr. Moore's secretary Becky Carrillo; Mr. Paredes' secretary, Jane Hulsey; Mr. Ulibarri's secretary, Carole Hunter and the counselors' secretary Clydene Bresee these ladies performed many different duties, and there wasn't enough room in this column to name them all.**

**The attendance secretaries Gladys Base, Roxanne Barrera, Estella Hernandez, and Brenda Greico, had the non-stop job of keeping track of all the students. Between making sure the students that were on campus stayed in class, and verifying those students that weren't they managed to send the kids that were sick home.**

**The finance clerk, Jody Bottema handled all the school's money affairs, the school registrar Ethel Inbody took care of all the incoming and outgoing students and Peggy Ford the Data Clerk took care of anything that had to be put into the computer.**

**All these ladies were very special to everyone on this campus and we were very proud to have them here.**

# WHERE'S YOUR PASS?

## Security

**The question most asked on campus last year was asked by four ladies and answered by every student on campus at least once. The ladies asking that question were, head of security - Phyllis Koch, and her "girls" Linda Galaviz, Cindy Morgan, and Grace Valdez. Our loyal security was there in the sunshine, and the rain, carefully guarding our campus and every possible way of getting out. Just when students thought they had it made and could get out, one of the girls was there to politely escort the students back onto campus.**

**This year their job was made easier with the addition of walkie-talkies. After communication was made easier, keeping the students on campus was easier too. In closing, the 1982-83 staff of the El Lancero would like to thank Phyllis and her girls for doing a wonderful job, and we hope to have them here for many years to come.**

**The custodian members consisted of: Tony Foster, Mike Cardinal, and Joao Silva. The head of the plant operation was Tony Foster. Tony has been a member of the custodian staff now for six years. He was responsible for repairing any damages done to the school. These men helped us in setting up for pep rallies, assemblies and many other activities. They were responsible for the safety of all the students and the staff members. The custodian staff devoted much time and effort to our school this past year. Thanks to them our school is the most clean of all schools in the district. Again!**

# VARSITY FOOTBALL

**The Norwalk Varsity Football team went through a very successful season ending up with a 3-2 league record and 5-5 overall. Norwalk finished in a tie for the league championship and ended up seeded in C.I.F. as the number one team in the Suburban League.**

**Throughout the entire season Norwalk had a powerful offense, led by a handful of seniors. Center David Saunooke, tackle John Welch and tight end David Graham anchored the offensive line. Quarterback Rob Bobkiewicz and tailback Joe Rios did a good job putting points on the scoreboard for the Lancers. Seniors Carlos Muro, Mike Lopez and junior Bobby Holler were three of the leagues finest receivers. But, the brightest spot on the offense was returning All League kicker Robert Barone, who had another fine season kicking many clutch field goals.**

**Even though the Lancers lost their first game in C.I.F. to a tough Newport Harbor team, the players and coaching staff felt good about the teams performance during the season. Much of the Lancers success this year was due to the leagues finest coaching staff led by Head Coach Jeff Brinkley and his assistant coaches: Bill Vetica, Richard Ramirez, Jim Hudson, Bobby Garcia and Ken Mardis. The coaches never gave up on the team and were always giving the players words of encouragement. This, and the players attitudes made the — 1982-83 football season very exciting and memorable for the players and for the spectators who attended the games.**

1. David "Hershel" Graham mades the T.D. in the C.I.F. game.
2. Steve Dolezal takes one of his two interceptions for a 32 yard T.D.
3. Carlos Muro makes one of his many fine catches for a T.D.
4. Lancers special team unit holds opponents while Robert Barone shows his stuff.
5. Rito hernandez and Robert Barone talk over their strategy before the game.

**The 1982 J.V. football team was a success in many ways. They furthered their understanding of Lancer football and developed greater skills in basic fundamentals. Above all they helped on the road to the Varsity C.I.F. SEASON.**

1. Bob "Hands" Holler makes the reception and turns up field for the first down.
2. Ruben Gradillas makes a great play, stopping a Newport Harbor runner from making a first down.
3. Rob Bobiewicz makes the big play of the night.
4. Greg Bell and Jim Guerrero make a marvelous defensive play.
5. Martin Granado recovers a fumble.
6. Tony Lucero following his blockers.
7. Lancers defense in persuit.
8. Lancers offensive linemen ready to attack.

# Freshman Football

The 1982 Frosh Football team had a rough season, but gained much knowledge. The squad developed pride, dedication, and loyalty to the freshman spirit.

Tail back T. Caldwell seemed to be the main factor in the Frosh line up. His swift moves found the end-zone more than any other teammate. "Caldwell is a good runner who has a lot of potential", replied Coach Secoda. "S. Locke also did a fine job playing quarterback his first year, but it was a whole team effort that brought the Freshmen their outcome," added Secoda.

The people in charge of motivating the squads were K. Spencer, D. Delgoto, and D. Driskell opperating the Offense. For the defense it was R. Eaton, G. Lizarraga, and S. Marquez.

Most valuable was T. Caldwell.

1. R. Eaton, surprises opponent and tackes him from behind.
2. Young Lancers learn the meaning of gang tackleing.

## JV/Frosh-Soph C.C.

**For the third straight year, the Junior Varsity Cross Country team did it again; they were Suburban League Champions. Senior Leonardo Nogal, the team's most valuable runner, led the Lancers to another great season for the Junior Varsity Team.**

**To Coach Stuart the J.V. program is important for two reasons. First, it allows the athletes with less ability, to compete and improve. Second, it helps build the Varsity program for the future.**

**Another important factor to the highly successful Cross Country program is the Frosh/Soph team. This team, like the Varsity and the J.V. teams, clinched the Suburban League title for the third straight year. Leading this team to success was most valuable runner, Jose Aguirre.**

**With the Junior Varsity and Frosh-/Soph teams being as successful as they were, the winning tradition will continue.**

# Varsity Cross Country

**There are a number of sources which contributed to the League Champions of Norwalk's outstanding Varsity Cross Country Team. One source was the dedication to the team from each runner. Each runner pulled his own weight to become the champion that he is now. Dedicating their time and ability to run and to the long, hard hours of practice and competitions, the team proved that nobody else could be Number 1. Even though the miles were hard and treacherous, no one complained, and no one gave up and quit. Dedication was truly a source to the championship in which they posess.**

**However, dedication wasn't the only source that led this team to their third straight championship. Togetherness and pride were also prime factors to this number one team. "Norwalk's best" competed, not apart or against each other, but together. As they ran to their title, they managed to sweep four out of five races. Then, they only gave up a second place to the fifth team. This togetherness brought on the pride in which this team cherishes so highly. Being able to say "we worked, we ran, and we conquered" would make anyone proud to be part of this program.**

**At some point in everyones life, problems and difficulties arise which may hinder or handicap an individual in the attainment of his goal. However, being as dedicated, together and proud as this team was, each and every runner was able to obtain his goal, to be** *League Champions.*

# Varsity Basketball

**Hopes toward a league championship seemed very near for the Norwalk Varsity Basketball Team. Steve Kooiman, playing high post and dunking, put fear into the hearts of many teams. The 6'6 Koiman and guard George Medina set up many plays which could not be broken. With the fabulous dribbling of senior Bill Wenrick and assists from George Klein, the Lancers looked to great league play. Preseason left the Lancers with a 1-9 record, but the team eagerly awaited season to start. Although losing many close games which could have been won, their dedication did not cease.**

## J.V. Basketball

**Led by the high-scoring of Dirk Montag, the many assists of John Wenrick, and the dribbling abilities of Bobby Jennings, the Junior-Varsity Basketball team formed one of the most together teams around. The J.V. team's record was 2-8 in pre-season, almost winning the Bell Gardens tournament. Beating Bellflower for the season opening, the team started on an optimistic foot,. However, the thrill of winning was not felt again until they met with John Glenn. As the second round came, once again Bellflower and Glenn lost to the unstoppable offense. Coach Brian Hinsley has coached them since last year as freshmen. Overall, the season ended with good memories and hopes for next year's Varsity squad.**

## Boys Frosh Basketball

**The season began with a spectacular group of boys. The fine young men who made up this valuable team will be the future Varsity Letterman and without their contribution there would be no future. The Freshman Basketball Team of 1986 showed they were true Lancers by displaying plenty of spirit and competitiveness. One thing for sure, the Lancers of 1986 will give the other Surburban League Teams trouble in the near future. The success of the Freshman team means the N.H.S. basketball program is taking a big step forward. This years team consists of 12 players: Jimmy Baker, Kyle Bernard, David Chacon, Larry Detwiler, Mike Higa, Steve Locke, Jesse Luna, Rami Mikhail, Ken Spencer, Ron Thomas, Leonard Wheeler, and Troy Young.**

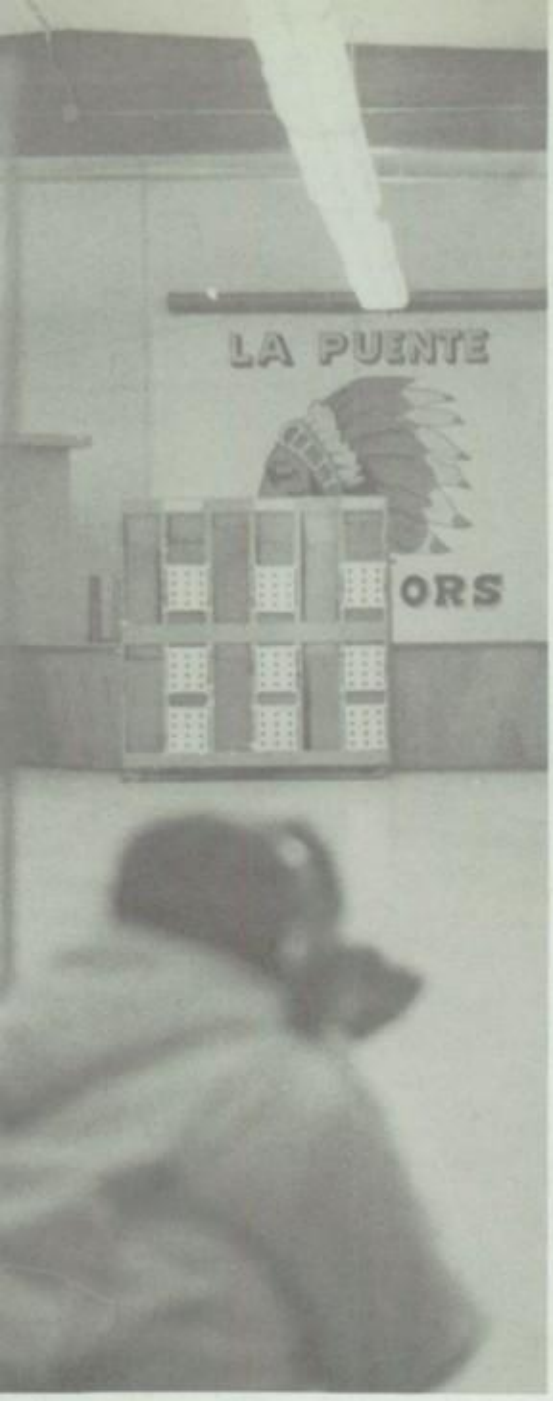
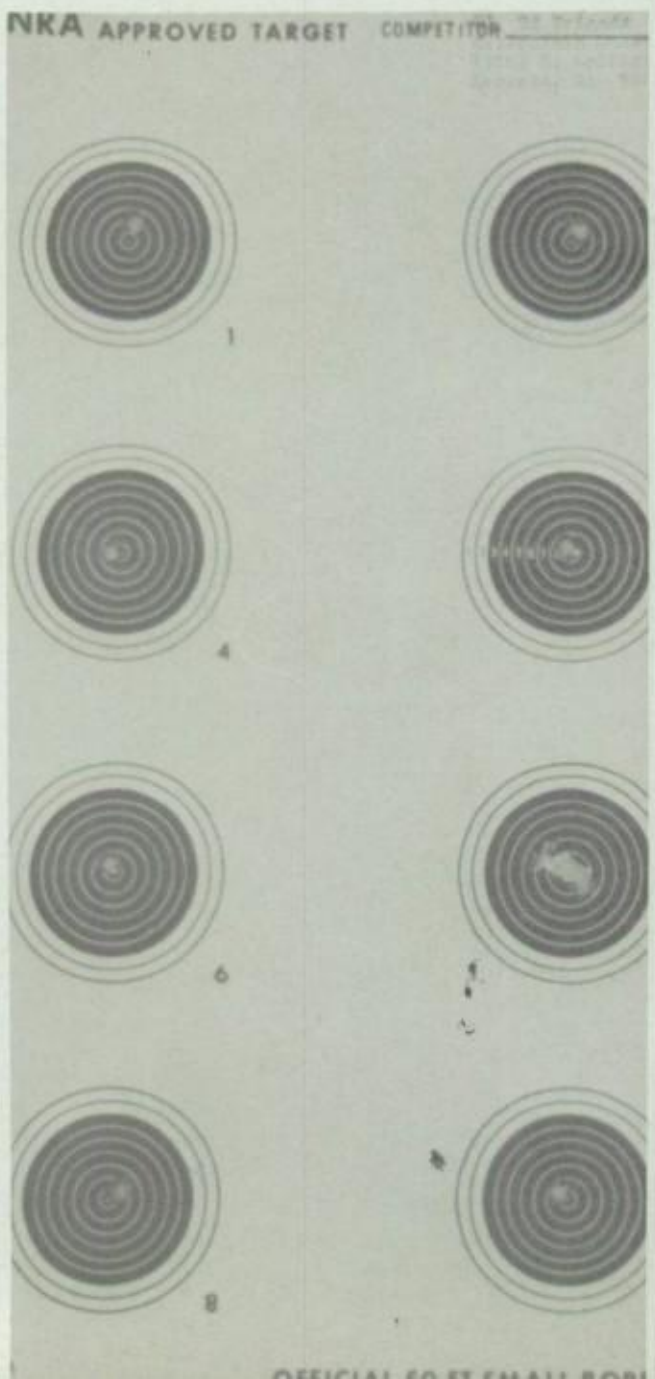
# AIMING IN THE BEST DIRECTION





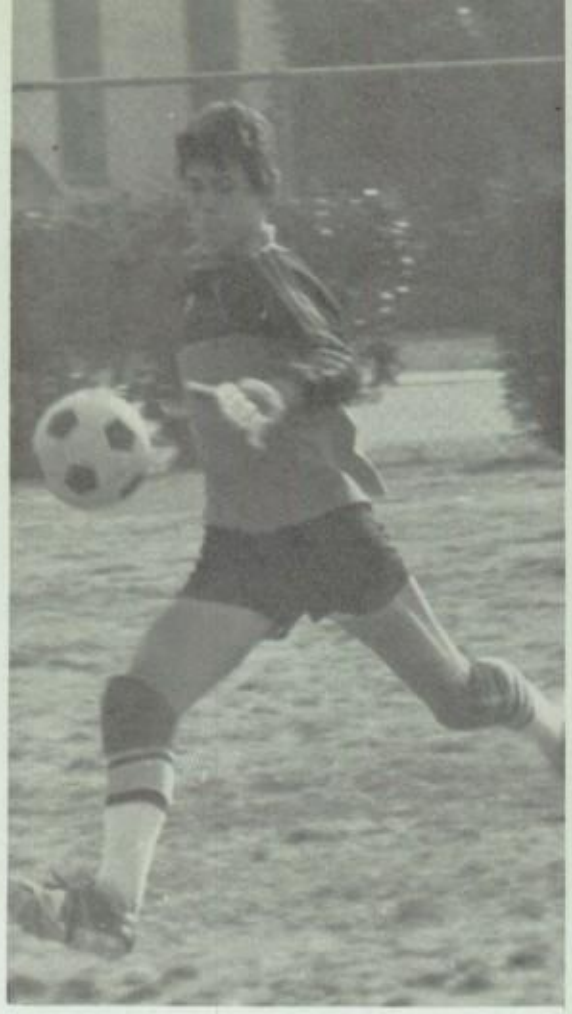
# RIFLE TEAM.

**The Norwalk High 5 and 10 men rifle teams had another spectacular year. Under the supervision of Mr. Hudson the 5 and 10 men teams went undefeated. However, the season wasn't that of glorious victories. The team had only five returning members, which meant they had to work for every advancement. But the marksmen proved that inexperience was only a small obsticle as they outscored every opponent in their conference. Not only going undefeated in their season but they also advanced to the State Championship. Two members also qualified for the state team. They were Kerry Barns, rank 11th and Carlos Muro, ranked 8th.**

**The members of the 5 man team were: Kerry Barnes, Carl Booth, Carlos Muro, Steve Shrubb, Russ Wagers, and alternate Butch Terry.**

**The 10 men team consisted of Kerry Barnes, Carl Booth, Sean Key, Peter Kim, Chris Guerrero, Carlos Muro, Rick Muzquiz, Steve Shrubb, Butch Terry, Russel Wagers, and alternates Lowie Barkery, Jerry Bishop, Alex Gutierrez and Mike Troncoso.**

# ONE KICK AWAY



# Varsity Soccer

**The Norwalk High School soccer team had a very impressive season this year. The Lancers had a record of 9 wins and 1 loss in the Surburban League, snatching the title from the 4th ranked team in C.I.F., John Glenn.**

**Coach Nuechterlein had a very young squad, with only three seniors in the starting line-up: the fullbacks Geoff Walker, Robert Barone, and Henry Ballesteros. These seniors were a big part of the team's success this year. Because of them, and of the fine goal tending of Nappy Espinoza, the Lancers allowed only 5 goals in the last 6 league games.**

**The other outstanding players on this dedicated team were: Alberto Quinonez, Richard Aguilar, Manny Jimenez, Caesar Veloz, Tito Hernandez, Socio Mendoza, Antonio Baez, Ruben Rodriguez, and Rolo Magana.**

**The Lancers had a very tough season this year, with Glenn or LaMirada favored to take league. However, Norwalk knew they were on their way to a great season when they defeated always-tough Artesia in the league opener.**

# KICKING TOWARDS THE FUTURE

## J.V. Soccer

**The dedicated J.V. Soccer team this year had a very fine year. The Lancer team ended up in second place only beaten out to a tough LaMirada team. LaMirada was only tied by one team, the Lancers who played a very tough game against the Matadors. The team was led by M.V.P. Abraham Vicas. Most Improved player went to Tony Schnyder, as Andres Nogal picked up the Most Inspirational trophie.**

**Coach Delatorre thought his team played well through the entire season, and the players respected the fine coaching of Mr. Delatorre. Good luck to all the fine young players in the future.**

# Wrestling

**As the season began the outlook was promising for the Lancers. For the first time in 4 years, the program had a returning coach. Steve Cohen came back to the squad as the head coach. It was only Steve's second year as a coach but he was better prepared and knew what to expect from the team. He knew that the team had the potential to be champions, he just had to bring this talent out from them. He was able to build this program with the help of David Suarez. It was Davids first year for coaching but not for wrestling. David had been wrestling for the past 8 years finishing his season at the University of Las Vegas Nevada as an All-American. Together at Norwalk High School they were able to build a better program for future wrestlers.**

The team had their ups and downs throughout the season but they were among the top contenders in the Suburban League. The Varsity Squad ended the season in third place, but it wasn't until the last dual meet that the season was over. The Lancers opened the season with a loss to Artesia. After this loss, it was uphill for the remainder of the season. They defeated La Mirada, Glenn and Bellflower respectively. It wasn't until the last dual meet against Mayfair, that the season was over. If the Lancers were to beat Stratton's Monsoons, they would upset the League Standings and tie for the Championship. However, bad luck struck the Lancers and they fell to the Monsoons, but not until after a struggling fight. The team consisted of 10 Varsity and 7 Junior Varsity wrestlers. The captains of the team were John Harding and Joe Rios. Because of the lack of participation from younger athletes the Lancers entered every dual meet losing, but it was from the fine performances by the few who stuck it out the entire season that made the Lancers truly Victorious.

## Varsity Tennis

A group of individuals which brought a combination of spirit, dedication, and desire for victory would have to be Norwalk's Girl's Tennis Team. Wendy Floyd stated, "This years tennis team had alot of school spirit." Everyone showed this spirit by the fun they had as a team during the games as well as after the games. This was especially done with the victory over Artesia with an outstanding score of 13 to 5.

Dedication had much to do with the tennis team placing 4th in League. During summer vacation every Monday, Wednesday, and Friday from 8:30- 10:30 a.m. the girls tennis team would be out on the courts practicing hard. When school started, they continued practicing everyday after school until 4:30 p.m.

The team's desire for victory was proven by the outstanding performance by Wendy Floyd with a record of 30 and 0 for singles. With a record like this it's no wonder Wendy Floyd went to C.I.F. on Dec. 4 and did a great job. The doubles team, played by Susan Fike and Kathy Gonzales, also had a great season with 23 wins and 7 losses.

Coach Bales is very proud of the team and their accomplishments during the year. She felt if there had been a larger team membership from the beginning, the team would of placed even higher.

1. Wendy giving her best shot.
2. Priscilla playing tough.
3. Gloria and Deadra ready for action.

# BOYS TENNIS

**Under the supervision of Ms. Sandra Bales, the Boys Varsity Tennis Team had a very successful season. With such returning players as 4 year member Mike Sokolik, and other outstanding players Robert Barone, Henry Ballesteros, Joe Chen, and Anthony Sena, the team held up under pressurous times. Boys tennis practiced everyday faithfully and entered many tournaments in the pre-season months. Boys varsity tennis clearly demonstrated dedication and determination in their strive for success.**

# Varsity Volleyball

In order to be champions, there are three things necessary; first is talent, second is dedication, and third is the ability to work as a team. In a game such as volleyball, talent, which is the natural ability to excell in certain areas, is needed to be successful. Without dedication, there would not be a team. Dedication is keeping the magic and pride that goes with a team. Dedication is not winning at any cost, but as much as can be sacrificed. The ability to work as a team is not an easy task. A team cannot be a team unless they can come together and not fight against each other, but fight as one. This is the only way winning can be accomplished. In the case of the Girls Varsity Volleyball team, talent and dedication were never stumbling blocks for the race for League Champs. Ending the season with a disappointing 0-10 record, the team's weak spot was in keeping together.

Starting the season with three returning lettermen, the team casted an optimistic eye at C.I.F. competition, making their goal the playoffs.

Under the direction of Coach Jerry Ontiveros, the girls always worked hard and showed good sportsmanship.

The team, which consisted of five seniors, two juniors, and one sophomore, went to practice since August to prepare for a busy fall season.

# J.V. Volleyball

**In a high peaking pre-season with four wins and no losses, the Junior Varsity Volleyball team had great expectations of a League Title. However, their high hopes soon diminished as league play began. Led by Captain Myrna Blanco and Co-Captain Cris Sanchez, the team took a record of 1-9, earning their only league season win against Mayfair. Dedication and pride were not enough to carry them through the season. Though the strain of a disappointing season bruised the team morale, the young Lancer team showed that there is more to winning than dedication alone. Coached by Frank Whyte, the J.V. team learned the basic skills and rules needed to succeed.**

## Girls Cross Country

**There are only two words that best describes the Norwalk Cross Country Girls team, "Dedication", and for the second straight year in a row, "League Champions". Leading the way to the Championship was second year letterman Stephanie Vega. In all her meets she took either first or second place. Stephanie is only a sophomore, and lost only to LaMirada and Artesia, and with her great performance she placed fourth in League Finals.**

**The team looked great throughout the year. With four returning runners and six newcomers, but hard working girls, it was no wonder why this team was as successful as it was. The returning runners were Linda Carrillo, Annette Frias, Wendy Juarez and Stephanie Vega. Adela Aguirre, Maya Aguirre, Laura Cambron, Lynn Farvour, Claudia Garcia, and Stephanie Sanchez were the newcomers to this dedicated squad. Without these girls the season wouldn't have been as successful as it was.**

**Coach Stuart did not expect the girls to be a successful as they were. They improved more and more by working together and putting in their strength and time out on the course. To Coach Stuart this was the best bunch of girls he has ever coached, both in running and their great personalities.**

1. Laura sprinting into the final stretch.
2. Linda running strong.

# Girls Basketball

**1983 was not the year for the Girls Varsity Basketball Team. With only two returning lettermen, senior Wendy Juarez and junior Araceli Cano, the team introduced seven new players. Due to the lack of players and of experience, the team could not compete to par. Under the direction of Roger Lodge, the girls had high hopes for obtaining a League Title. What the Lady Lancers lacked in numbers, they made up in dedication and spirit. Their record was 1-9, losing to teams like Artesia, who, in the previous year went to state championships. Acting as Norwalk's arch rival, Glenn became Norwalk's favorite competitor. With many returning players next year, the girls are looking forward to a successful season. The members of the team were: Captains- Wendy Juarez and Araceli Cano, Juniors- Lea Brown, Michelle Goodwin, Laura Martinez, Suzann Mendenhall, and Debbie Pentecost, Sophomore- Julie Klein.**

# Girls J.V. Basketball

**The Girls Junior Varsity Basketball Team had a very fun year. Even though they lost many games, they'll always have the memory of defeating John Glenn High School.**

**Although The Girls Junior Varsity Basketball Team had a late start in the season, Coach Jerry Olivas continued working with the team throughout the season. They showed spirit and enthusiasm by dedicating their time to practices from 4:30 to 6:30 everyday.**

**This years team had an exceptionally fun year by doing the best performances at their games. There was a wide variety of talent in the five starters and great depth on the bench. One of the teams major weakness, however, was the lack of members that joined the team. The members were:**

| *Name* | *Grade* | *Position* |

# 8th Grade Volleyball

**It wasn't the year for 8th grade Volleyball, but the girls who participated made the best of their season. As implied by the title of this team, the girls must be in 8th grade to participate. They were young but very talented as they managed to squeeze-out two victories in the Suburban League. They defeated Bellflower by a score of 15-9, 10-15 and 15-5. They also beat John Glenn by a score of 17-15, 17-15. These games truly showed that this squad had the inspiration and talent to be winners.**

**Lead by Coach Morris the girls learned the basic fundamentals of volleyball. They learned that there is more to this sport than just hitting a ball over a net. They learned sportsmanship and courtesy for one another. These simple but competitive rules will help these girls in their future volleyball careers.**

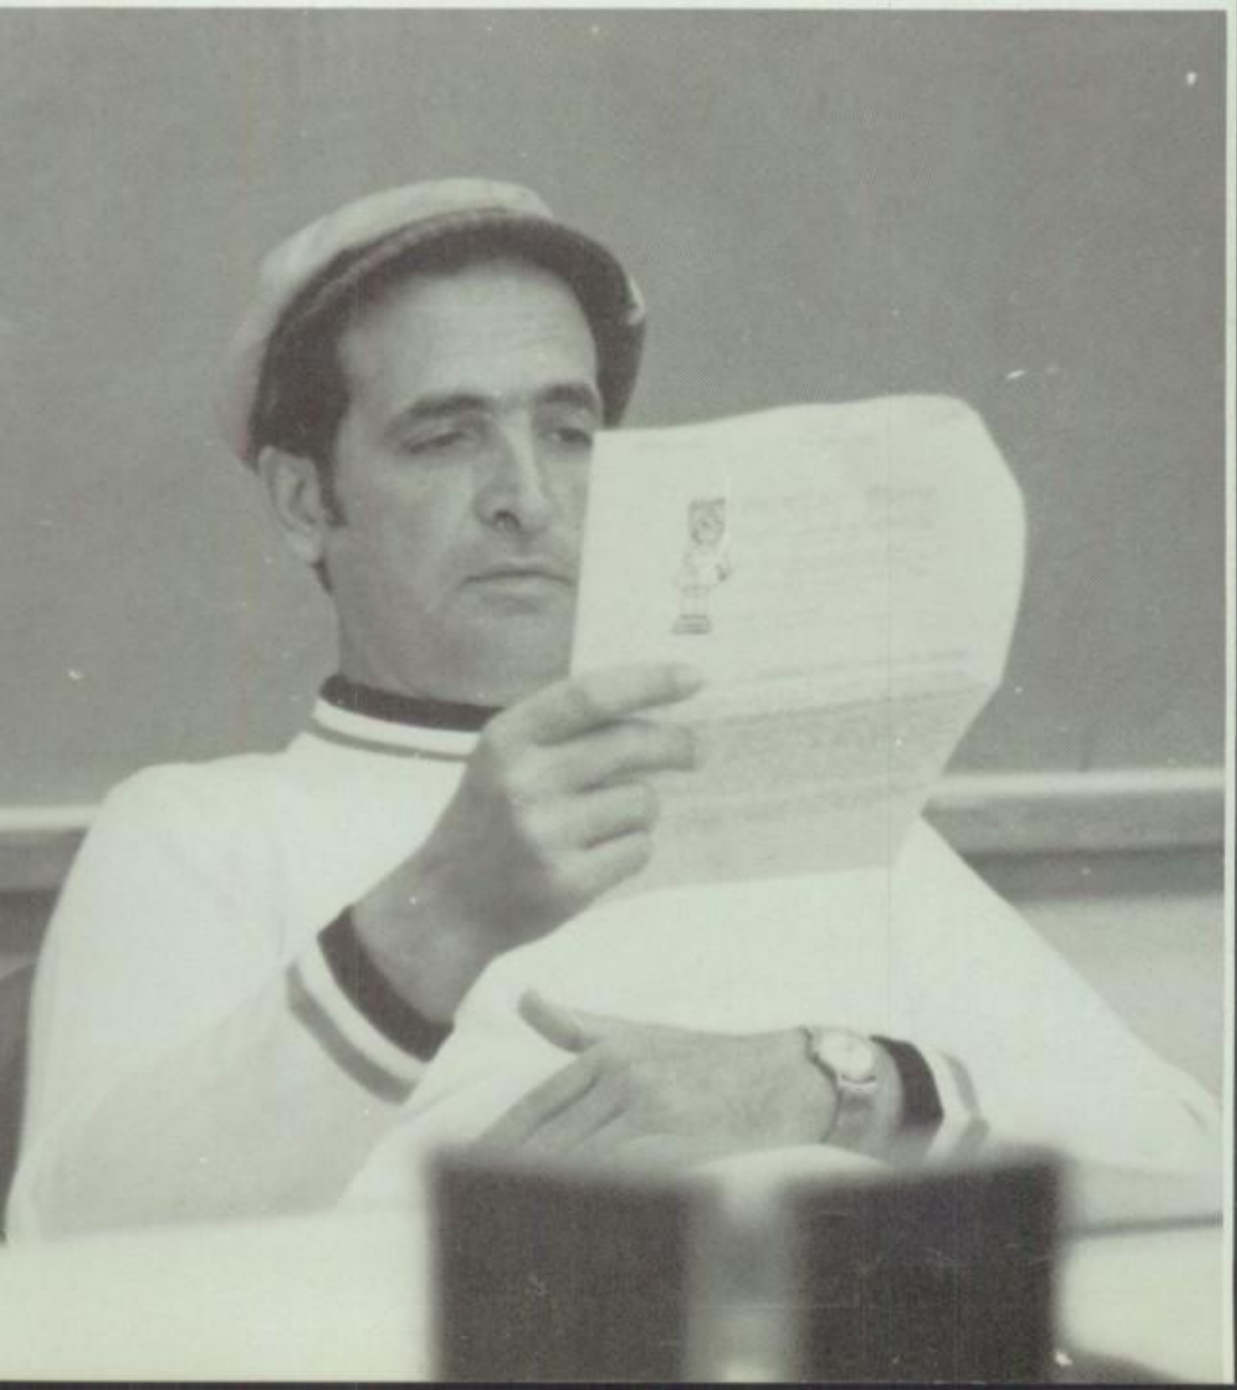
# 8TH GRADE GIRLS BASKETBALL

**The 1982-83 Girls 8th grade basketball team had a rough season ending up with 2 wins and 6 losses. Although the girls didn't finish at the top they had a very exciting season. With the help of Coach Bill Vetica the girls learned a very important thing, to work together as a team. After the season came to an end Coach Vetica replied "these girls have come a long way and I am very proud to have worked with them". So even though the lady lancers didn't have a winning season they proved to themselves and to others they are champions in their own way.**

**Left to right: Debbie Gonzalez, Lisa Everly, Cindy Estavillo, Cathy Sherwood, Kelly Ralston, Connie Boonchoo, Jeanette Daily, Eunice Armedilla, Brenda Balderman, Wyndi Aguilar, and Lisa Cofresi.**

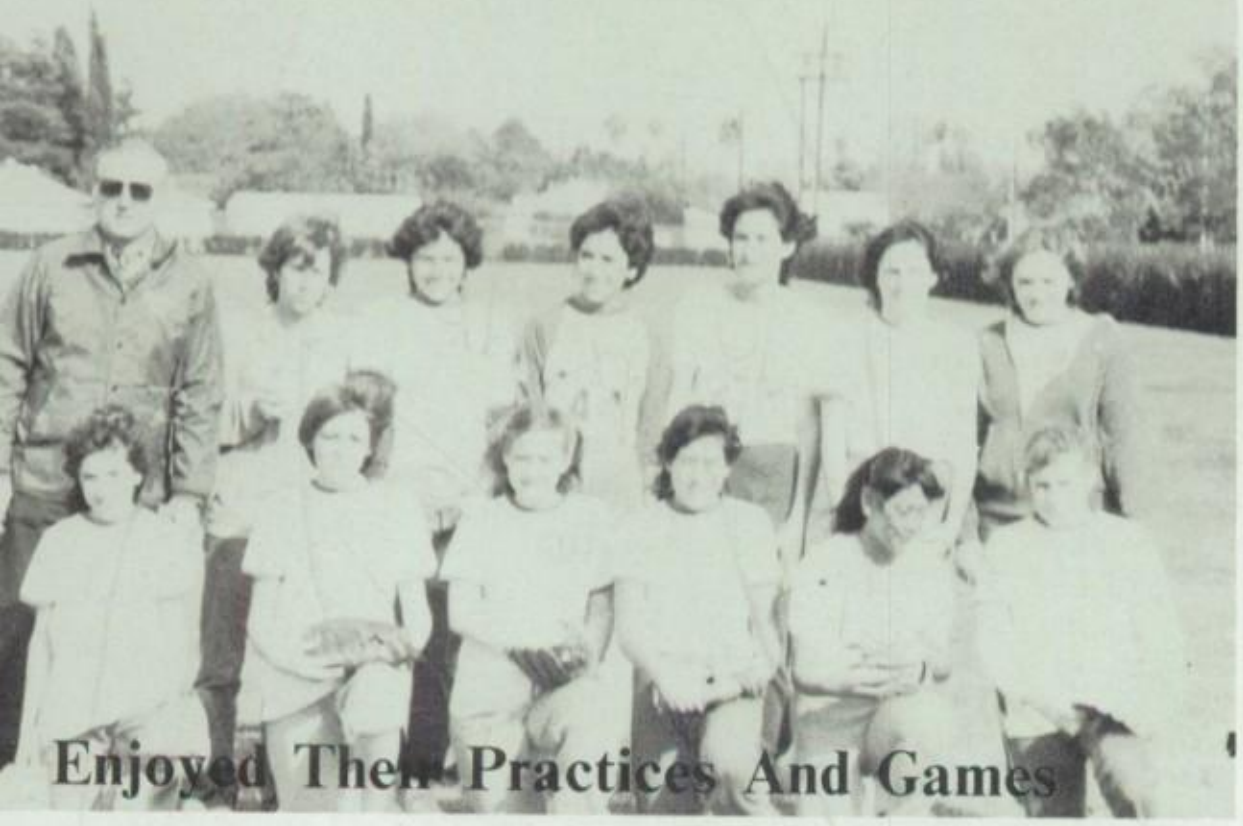
# CHAMPIONS IN THEIR OWN WAY



# 8TH GRADE SOCCER

**The eighth grade soccer team got off to a good start this year. They worked very hard dedicating their time on the soccer field to prepare them for a winning season. Coach De La Torre worked and inspired these young athletes to give a 100% every moment they were on the field.**

**The players learned very much from the coach, as he taught them the basic fundamentals and rules of the game. The players learned very fast and succeeded in having a winning year and will be a profit to the varsity team in the years to come.**



Enjoyed Their Practices And Games

# 8TH GRADE SOFTBALL

**The Lancer's Eighth Grade Girls Softball Team coached by Mr. Nuechterlein, had a fun-filled season. The 20-girl roster enjoyed their practices and games, and many improved greatly as the season progressed. This was evidenced by the fact that the team won 3 of it's final 4 games, to finish in third place with a record of 3 and 5.**

# THE FIRST OF FIVE: THE CLASS OF 1983

**The class of nineteen hundred eighty-three was the first group of eighth-graders to arrive at Norwalk High School; therefore, they quickly learned the ways of high school life. One could even say they were the experimental class for the future eighth-graders to be hosted by Norwalk High. As eighth graders they experienced such situations as 3:00 to 5:00 dances, and notes to be admitted to Sadie Hawkins. However, entering high school as eighth graders had positive advantages. Such advantages as being exposed to important traditions, school spirit, and a high school caliber of teaching. All of these factors helped to shape the class of nineteen hundred eighty-three in to what it is today. Today the class of eighty-three is a group of talented and ambitious young adults. The five years spent at Norwalk High School were clearly beneficial to each of them. Along with the vast amount of knowledge they acquired, close friends were made. Even though some will part from Norwalk High, never to return, the memories of their Alma Mater will never diminish.**

Once every few years, a group comes along that has just the right combination of special people working together, and the 1982-83 Associated Student Body Cabinet was just this type of group.

Led by their fearless leaders, Mr. Terry Bales, advisor, and Martha Martinex, A.S.B. President, the 16 member group made their way through senate meetings, marquee patrol, christmas caroling, faculty favors, 8th grade elections, painting posters, pep rallies, passing calender dates, and last but not least, fighting with each other during meetings as to, "Who Second'ed that motion?"

On a more serious note, though, every member handled their responsibilities and worked toward the common goal of not only making Norwalk High a fun place to be, but also a respected public institution in the eyes of the surrounding community. And now, at the end of the year, one can say they were successful at reaching their goal, thanks to the unique talents and ideas that were contributed by each and every member.

1. Darin Brown ready to second a motion.
2. Carlos Muro looking enthusiastic before a meeting.
3. Mr. Bales worried about other things.
4. Kim Arisue ready to help.
5. Tohnnie Muths waits for decisions.
6. Carlos Muro ready for action in his position as Seargent-at-arms.
7. Waiting for the president to speak.
8. The 1982-83 A.S.B. cabinet.
9. Annette Bernal "daydreaming."
10. Michele Pasquale discussing another pep rally.
11. Madame President "Martha Martinez."

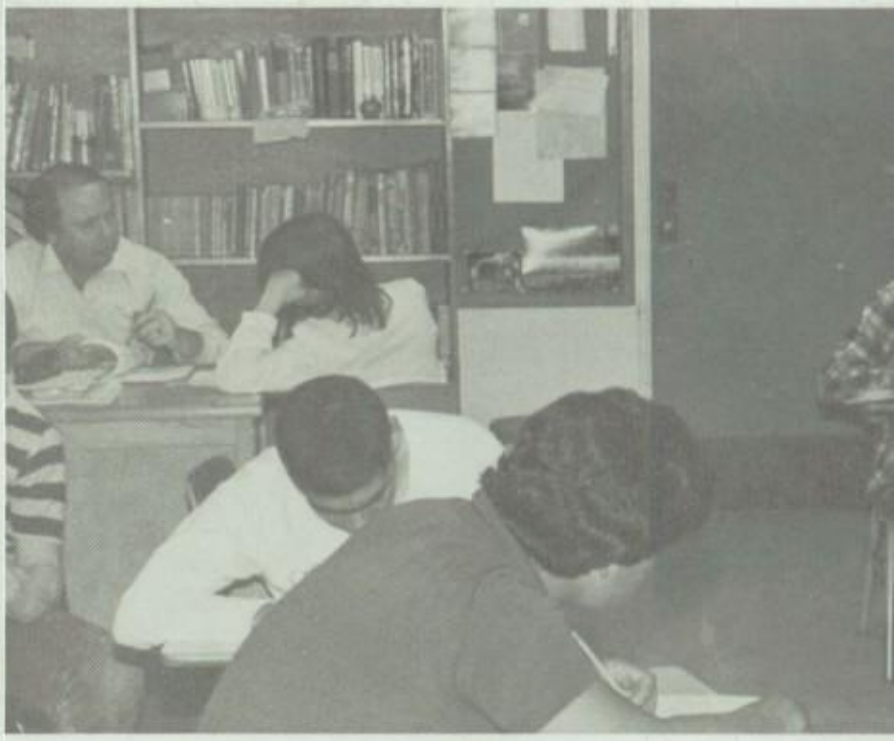
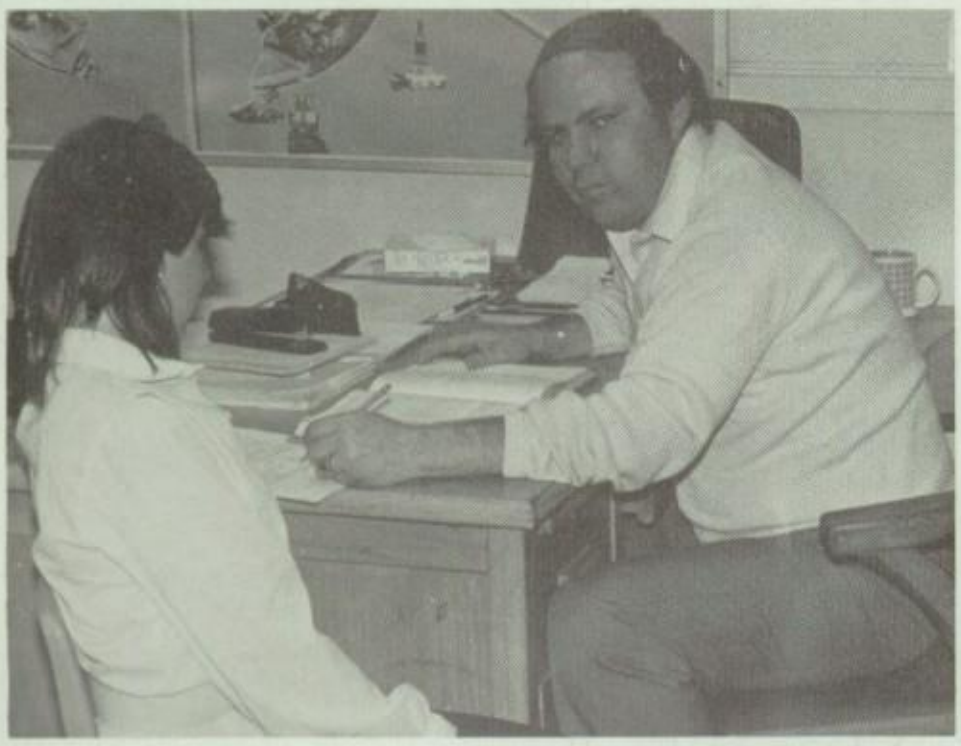
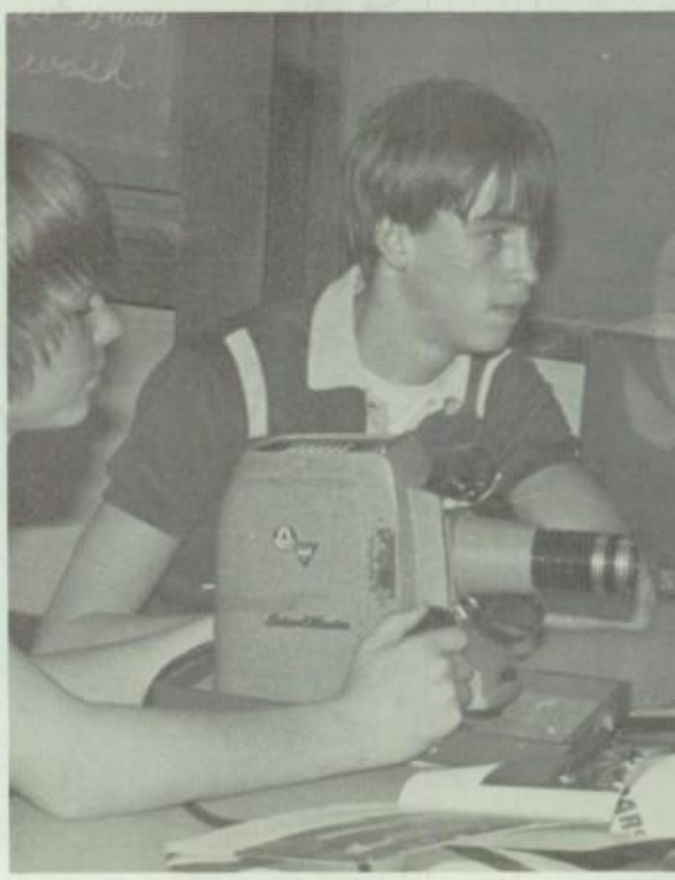
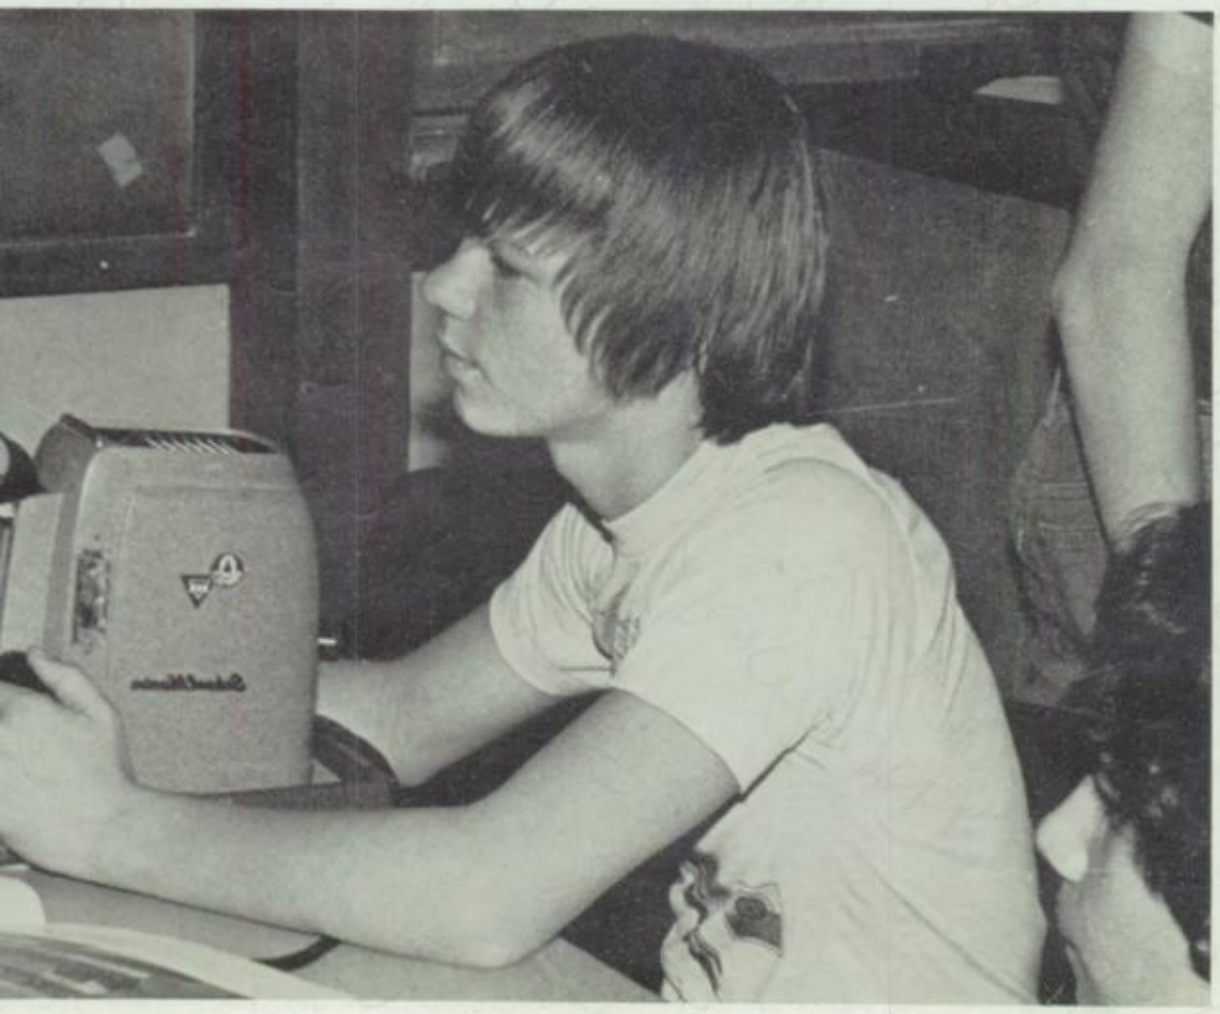
# One Year Down Four More To Go

# EDUCATION HARD AT WORK









# SPECIAL EDUCATION

**At Norwalk High School there is a huge amount of pride distributed among our campus. Students, teachers, and administrators take pride in our vastly successful athletic programs and also in our wide variety of academic classes that are offered. However, there is a small group on our campus that is sometimes overlooked, The Special Education Program. The Special Education Program is basically an experience program, the students in this program have a learning or physical handicap, or sometimes a combination of the two. They require more individual instructions and attention then do other students at Norwalk High School but their accomplishments are just as admirable and pride-worthy. The students are offered many educational opportunities for mental advancement. The Juniors and Seniors are eligible for a paid on and off campus job program. They are also candidates for Vocational Rehabilitation services during school and after graduation. The Chairman of this successful departmental program is Mr. Bob Melton. Mr. Melton's department is responsible for approximately 120 students. He and his staff are truly dedicated people in their field of work. Our special Education Department here at Norwalk High School is truly something to be proud of, we are the leader in the District for Special Education works.**

**The learning Handicapped Department was established in the Fall of 1q81-1982 school year. Mr. Melton was appointed by Mr. Eberhard, as Chairman of the new group.**

**The Department includes: 4 Resource Specialist Programs, 2 Special Day Class Programs, 3 Designated Services Programs, 2 Speech and Language Programs, and 1 Orally Handicapped Program.**

**These student services are provided for under the legal and financial support of the California Masterplan for Special Education and the Federal Law P.L. 94.142.**

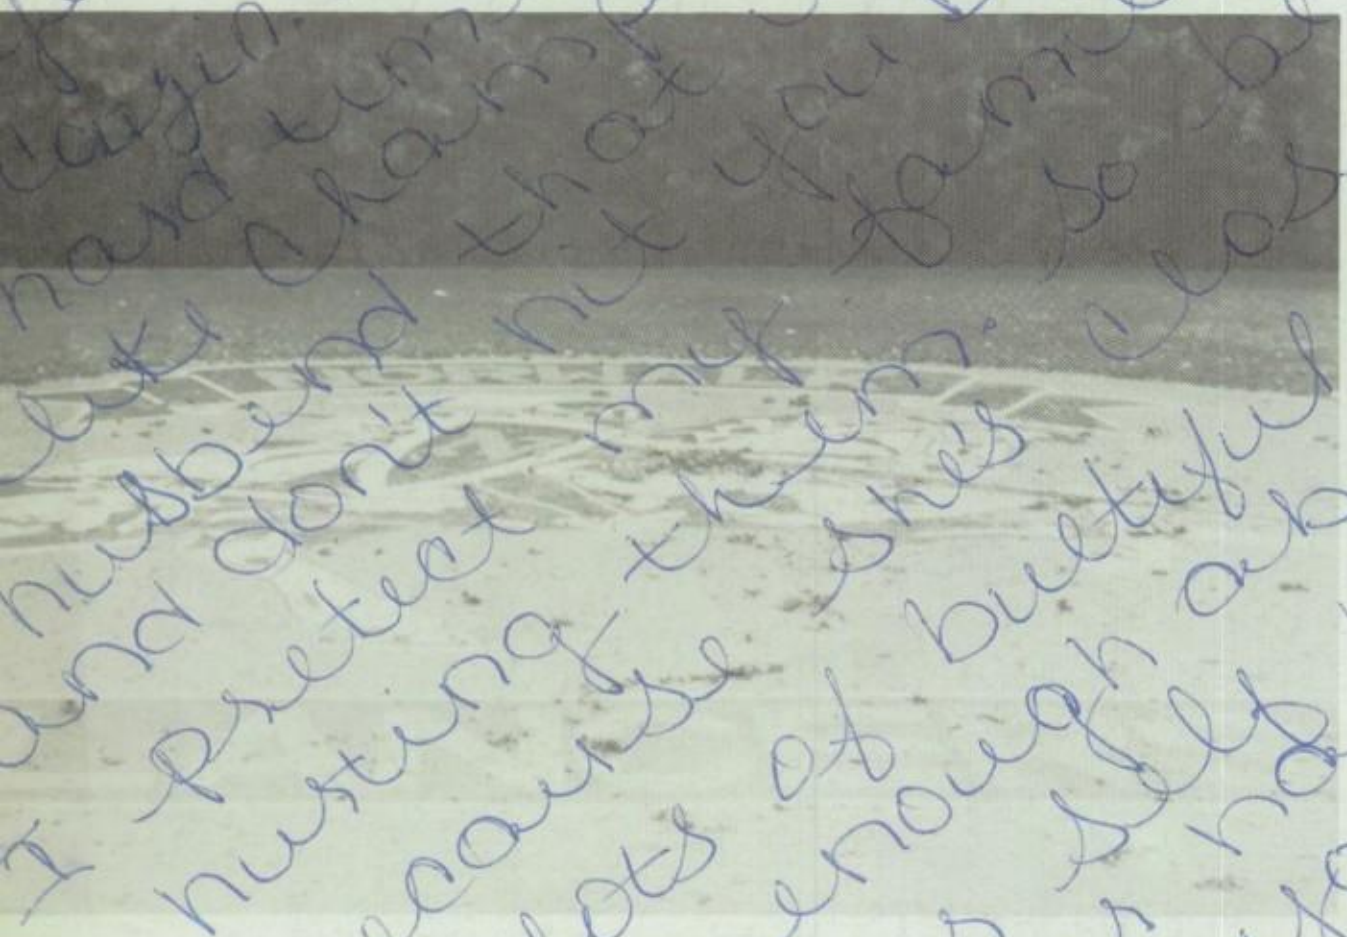
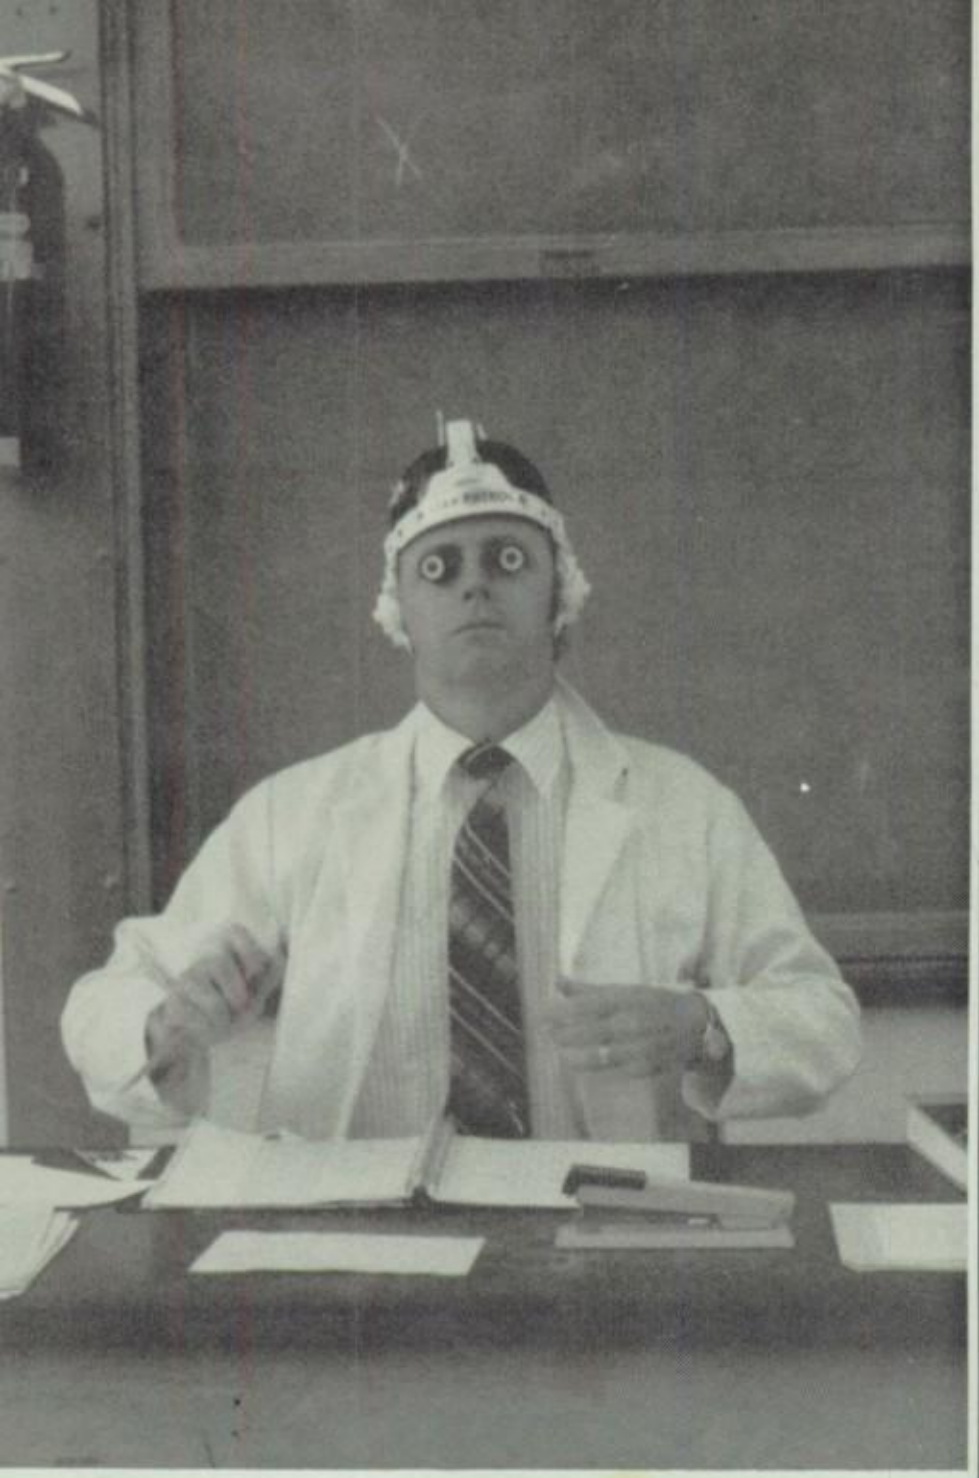
WHS is so cool





Whether it be a sad time or an anxious time, endings are always hard. The ending of the 1983 school year is especially hard for seniors and all students at Norwalk because it was such a special and unforgettable year. All here at NHS experienced bad days, where tests were just too difficult to handle, (as were some classes from the teachers point of view), and the school-day seemed endless. At Norwalk High, however, the good days certainly outweighed the bad. Outstanding students, teachers, and athletes all blended together to spark excitement and awareness throughout our campus. Many individual and group contributions influenced the outcome of the year. After the graduation ceremonies are completed, and summer is upon us, all will cherish those special memories of the 1983 school year. It is those special memories that will make that ending a little easier for all of us to handle. Such memories that one could never forget such as:

That nervous but exciting first day of school: 8th Graders were lost, Freshman thought they knew what they were doing, Sophomores did know what they were doing, Juniors thinking that they ruled the school, and Seniors knowing that they ruled the school.

Homecoming week: exciting and crazy dress-up days where spirit and unity began to take form.

Halloween: when students came to school in all crazy shapes and forms Christmas time: When the all-out brutal Can-Food drive was held and fabulous Mr. Neighbors class rose to victory with an amazing 481 cans, and when one could hear the golden voices of the ASB cabinet Christmas-Caroling throughout the halls.

January: When all had to return from Christmas vacation (which was NOT east).

February: Preparing for and attending the Lavendar-N-Lace dance.

March: Trying desperately to keep out of the rain, hurricanes, and other such calamities that struck our campus.

April: Everyone in a state of relief because Easter vacation finally arrived.

May: More and even more preparations for the Prom.

June: Graduation and time for good-byes . . .

No one will ever forget the individuals that made the year special, for it is individuals that are most important: Our fantastic CIF Bound Cross Country, Football, Baseball, Boys Tennis, Soccer, and Rifle Teams, special teachers, friends, and classes that in many ways changed our lives, and special experiences that will remain with us for life. The yearbook is just a small part of the 1983 school year, but the staff and I really hope that it will help you cherish those special memories of your school year. Thanks to all the DEDICATED people who helped to make this yearbook possible. With this book we can all hang on to our experiences here at Norwalk High School.

To Angie
Well well look who's back
at this long lasting
friendship. I hope
we get to see each
other more often
this year. Have a
great summer and
I'll see you next
year.
Love ya,
Sandy

Dear Angie,
Thanks for being a great friend
this year. I hope we can
continue our friendship
next year. Have a great
summer and I'll see you
in school.
Love ya,
Sandy

Angie
you're a real sweet person (sometimes)
and a very very good friend.
I'm glad I met you all those
years ago (:). And im glad we
stayed friends, you know at
ben friends we never really
got in a fight, and I hope we
never do. Because I don't want
to lose (just kidding). I hope we
stay friend for a lot more years,
if not longer :). Keep in touch in
the summer (or else) See ya next
year in the 9th grade if we make
it. :D. Have fun with the guys :).
and let me know if the guys :)
is cute, because if he's not it
better be nice (just kidding) and
oh let you know. But if I get a boyfriend
boyfriend it better on at last I get a
15 days. Well I'll see ya next
year in the 9th grade if we make
it. :D. Have fun with the guys :).
